Prior to being loaded, Jockey Orffer requested that the Regulatory Veterinarian examine **High Key**. After examination, **High Key** was passed fit to race.

Captain Marsala – Carried outwards and raced three-wide without cover leaving the 1100m. Passing the 1000m, for some distance, raced tight onto **Kaisarissa**, and leaving the 1000m, was allowed to stride forward to race closer to the lead.

Kaisarissa – Knuckled on jumping. Leaving the 1100m, when the pace slackened and became awkwardly placed close to the heels of **River Hawk**, was switched outwards to improve its position and in doing so, carried **Captain Marsala** outwards, with **Captain Marsala** racing three-wide without cover.

High Key – Jumped awkwardly, shifted ground inwards and was slow into stride.

William Blake – Slow to begin. When questioned regarding its apparent improved performance, Trainer Daby explained that this gelding was racing over the 1450m for the first time in Mauritius and that at its last outing over the 990m, proved to be too short. He added that it had improved since, that it was racing against weaker company this time out and carrying a lighter weight compared to its opponents. As such, although he expected an improved showing from **William Blake**, he did not expect it to win.

He added that after his mount had jumped well, he had to urge it more than three times in order to get it to respond, and passing the 1200m, it grabbed the bit and commenced to over-race when **Daring Dash** raced alongside him. He further stated that his mount continued to over-race, and he was unable to bring it back.
