## 5. Fabric Care

- 5.1. New Zealand has some of the strongest sunlight in the world and with our extreme UV rating. Buyers should be aware of certain precautions when selecting window furnishings.
- 5.2. All fabrics, regardless of the dyes used will deteriorate under direct sunlight or reflected ultraviolet light.
- 5.3. Where possible a quality sun filter is recommended when fabrics are in direct or reflected sunlight, even if through double glazed or tinted windows.
- 5.4. A superior quality lining is always recommended.
- 5.5. Leading edges of curtains (those facing the windows) are particularly vulnerable to sunlight degradation. To help minimize this effect, it is recommended that curtains be rotated periodically, i.e., the left-hand curtain swapped to the right-hand position.

- 5.6. Ensure sufficient 'stack back' is achieved to minimize direct sunlight when drawing the curtains off the window during the day. Although closing curtains may keep the interior cooler, it is highly destructive to curtain fabrics and the temperatures between the glass and fabric can be extreme causing fabrics to become more susceptible to tearing and disintegration.

## 6. Fabric Movement

- 6.1. Fabrics can shrink and expand due to atmospheric conditions. The "Seller" follows the industry standard which provides for + or - 3% movement in the drop of a curtain before considering any remedial action except for fabrics made from the following material where there is an allowance of + or - 6% movement. Linen, Cotton, Viscose. Desired finished length may not be achieved for these reasons.

## 7. Cancellation

- 7.1. A re-scheduling fee of \$150.00 is levied when installation is cancelled by the Buyer within one business day of a previously agreed time. This will be added to cover costs incurred by the seller. This clause does not apply to Commercial installations.

- Allure Aluminium is guaranteed for 7 years.

### 8.3. Componentry

Hinges, tilt rods, wheeled runners etc. are guaranteed for one year.

### 8.4. Warranty Guidelines

We guarantee to repair or replace, at our sole discretion, any shutter or part thereof, deemed to be defective. Where possible, we will repair or replace using identical components, though if design or componentry have changed, repairs will be made with a part or product of similar quality and value.

### 8.5. Warranty Exclusions

The Allure Shutter warranty excludes the following:

- A visual defect if not visible to the naked eye in natural light at 2.2 meters.
- Gaps that may be present after installation between the panels and the frame, or between the frame and the fixing location/window.
- These are largely a result of maximising ease of operation or squaring off an out of square opening.
- Normal wear and tear.
- Shutters not in the possession of the original purchaser (the warranty of shutters purchased by building companies for unoccupied dwellings is passed to the new owners).
- Black shutters, unless in an interior location without any direct sunlight.
- Shutters installed by a person other than a Russells approved installation technician (Extrusion integrity, colour fastness and componentry warranties remain valid).
- Shutters with damage from misuse, including use of improper cleaning agents (silicone-based sprays, bleaches etc.).
- Shutters with components added or alterations to the original panels as supplied.

# Your rights under the Consumer Guarantees Act 1993

## Consumers

Under the Consumer Guarantees Act 1993 ('CGA'), you have guaranteed legal rights for goods [and services] you buy. These are called 'consumer guarantees', and include the following:

1. a guarantee that the goods are of acceptable quality, such that the goods are: fit for all the purposes for which goods of that type are commonly supplied;
  - free from minor defects,
  - Safe,
  - Durable; and
  - acceptable in appearance and finish.
2. a guarantee that the goods are fit for any particular purpose made known by you, or for which we represent that they are or will be fit.
3. a guarantee that the goods correspond with any description with which the goods are supplied; and
4. a guarantee that the goods correspond with any sample or demonstration model where the goods are supplied by reference to such sample or model. If the goods (or services) we supply do not meet a consumer guarantee, we will meet our obligations under the CGA to provide a remedy.

These guarantees are in addition to any warranty offered by a manufacturer, and you may have rights against the manufacturer directly.

The CGA does not apply where the goods have been used in a manner, or to an extent which is inconsistent with the manner or extent of use that a reasonable consumer would expect to obtain from the goods; and the goods would have complied with the guarantee of acceptable quality if they had not been used in the manner or to that extent.

## Damaged products and acceptable quality

(1) If any product ordered by you arrives damaged or is not of acceptable quality you may have: (a) legal rights and remedies under the New Zealand Consumer Guarantees Act 1993 ("CGA"); or (b) the right to have the product repaired or replaced or to receive a refund of the price paid by you for the product.

(2) If your Order arrives damaged or is not of acceptable quality, please contact Russells on 0800 808 300 within 24 hours

## Change of mind

Please choose carefully as we do not have to provide a refund if you have changed your mind about a particular purchase.

## Failures (minor and major)

**Minor:** If the window furnishings (or services) we supply do not comply with a consumer guarantee, but can be remedied within a reasonable time, we will either repair the furnishings or replace the furnishings with furnishings of identical type. If we cannot repair or replace the furnishings within a reasonable time, we will provide you with a refund of the purchase price.

**Major:** A 'major failure' is where the failure in the furnishings cannot be repaired or cannot be repaired within a reasonable time, or where the failure constitutes a 'failure of substantial character' as set out by section 21 of the CGA. If a failure amounts to a major failure, you are entitled to return the furnishings and choose to have a replacement (like type) of the returned furnishings or a refund. Alternatively, you may elect to retain the furnishings and obtain compensation for the reduction in value of the goods. Where you choose a replacement, we will, where available, provide furnishings of the same type and similar value to the returned goods.

## Goods damaged in transit

If any furnishings arrive damaged, please contact us within 24 hours of delivery. We will arrange to have the damaged item returned to Russells and either repair or replace the furnishings or refund the price to you, at its election. Damaged furnishings must be returned to Russells in the condition received by you with all original packaging, together with all packing slips.

Please note that furnishings must be returned within a reasonable period, and you may be asked to demonstrate that the problem with the furnishings was not your fault.
