

NZ COLLISION REPAIR ASSOCIATION

Vision: “To represent and lead the collision repair industry in quality, standards and education”

LEADERSHIP

Goal	Measure	Status
Public Recognition	Licensed Collision Repairer	Signs now completed on display at qualifying member premises
	CRA Guarantee	Constantly promoted and now over 120 contracts issued
	Maximise PR opportunities	Excellent exposure on various issues with coverage on TV One News, Breakfast TV, National Radio, Radio Live and about 30 national and regional publications
Industry Recognition	Vehicle manufacturers	Licensed Collision Repairer status recognised by 5 vehicle manufacturers
	Insurance company buy in	Good engagement through Code of Practice and other initiatives. Significant contact over Insurance Company survey results.
	WorkSafe	Good engagement and collaboration over Roadshows, Health and Safety issues and Hazardous Substance H&S Training
	NZTA	Code of Practice project ongoing. Currently lobbying for a change to the Repair Rule to recognise Code of Practice participants
Succession Planning	All NX refreshed with none over 5 years	1 new NX from 2019 AGM’s. Permanent item on NX Agenda

SUSTAINABILITY
