If you have been asked to provide a copy of your sheet music to organisers of an AMEB examination, you can do so by completing this Copyright Declaration Form and providing it to AMEB at the time of your exam. However, the candidate must bring the original scores of the sheet music to their examination.
- (d) In order to avoid a difficult page turn a fair use exception in the Copyright Act allows one to make a photocopy of a page and use that copy in conjunction with the original score. You may not copy the entire work or movement.
- (e) Candidates must bring one original score of each piece they are performing, including the music for the accompanist part where relevant, to the examination whether or not they are performing from memory. In examinations with a general knowledge section the accompanist's score is used as a basis for general knowledge questions.
- (f) Diploma candidates are required to supply original scores or authorised copies (see 2(b) above) for the use of the examiner.
- (g) Some syllabuses require submission and approval of repertoire selections prior to examination, for example Own Choice selections for particular AMusA and LMusA examinations. In those cases, submitted scores must comply with the Copyright Act.

3. Editions

- (a) Editions are mentioned as a means of identification. Specific editions are only prescribed where a work has been arranged, as alternative editions/arrangements may be of an unsuitable level of difficulty. Recommended editions of original works are often listed in AMEB syllabuses, but any standard and unabridged edition is acceptable.

4. List pieces

- (a) Candidates must ensure they have prepared the correct number and type of pieces for their examinations.
- (b) Candidates must ensure that the pieces they have selected collectively meet the performance time required for examination, where such time limits are applicable, e.g., Repertoire exams, Certificate of Performance, Diploma exams.

5. Extra List pieces

- (a) Extra List pieces should have an educational value similar to that prescribed in the syllabus. For example, candidates might wish to present another work from the syllabus, the current Grade book, or earlier series of Grade books. The candidate may present a work of educational value similar to those listed in the syllabus from another source. Candidates are required to demonstrate familiarity with these pieces by performing the whole or any part of them at the discretion of the examiner.
- (b) Accompaniment of Extra List pieces is not required, even if the work is written with accompaniment.

6. Own Choice pieces

- (a) Own Choice pieces should have an educational value similar to List pieces prescribed in the relevant syllabus. For example, candidates might wish to present another work from the syllabus, the current Grade book, or earlier series of Grade books. The candidate may present a work of educational value similar to those listed in the syllabus from another source.
- (b) Accompaniment of Own Choice pieces is required if the work is written with accompaniment, or the relevant syllabus requires that any Own Choice work be accompanied.

7. Pencil Marks on Scores

- (a) Candidates must remove all marks from their music which refer to general knowledge information, including the meaning of musical terms and symbols. Markings such as fingering, bowing, pedalling, breath marks, and similar do not need to be removed.

8. Repeats

- (a) Repeats do not need to be performed unless specified in the syllabus or requested by the examiner. However, all *da capo* directions must be observed.

9. Memorisation

- (a) In Musical Theatre and Singing for Leisure, candidates must perform all List songs and Extra list songs from memory.
- (b) While other candidates should be encouraged even at the earliest stages to make a habit of memorising, no additional credit will be given to candidates who elect to perform from memory.
- (c) Candidates playing from memory must bring their music to the examination for the General Knowledge section.
- (d) Licentiate candidates must present one work from memory, except candidates in Organ where presentation from memory is optional, and as noted at 9(a).

10. Metronome Marks

- (a) Metronome marks are an approximate indication of required tempo.

11. Page Turners

- (a) Candidates may bring a person to act as page turner. The page turner can only remain in the examination room when required to turn pages and cannot assist a candidate in any other manner.

12. Accompanists/Collaborative Artists

- (a) If the examination requires an accompanist or collaborative artist the candidate must arrange their attendance. The examiner cannot perform either role.
- (b) In higher Grades, it is recommended that candidates engage the services of an experienced accompanist in order to do themselves full justice and be assessed accordingly.

13. Recorded accompaniment or backing tracks

- (a) Candidates may perform with approved AMEB recorded accompaniments in examinations in some Level 1 grades. The AMEB Federal Office provides a range of [recorded accompaniments](#).
- (b) Candidates may perform in AMEB 'For Leisure' syllabuses (i.e. Piano for Leisure, Singing for Leisure and Saxophone for Leisure) with backing tracks in the examination. Backing tracks may feature various instrumentation. This is not limited to backing tracks produced by AMEB.
- (c) If using recorded accompaniments or backing tracks, the candidate must provide and operate suitable equipment for the examination: a CD player or other quality audio equipment which will have adequate sound level and quality in the examination room. Candidates should ensure that the equipment is fully charged if battery operated.

14. Technical Work

- (a) All technical work must be presented from memory, unless otherwise specified in the relevant syllabus.

15. Instrument requirements

- (a) Except for piano and organ, candidates should ensure they bring the correct and allowed relevant instrument(s) and any extra related requirements (e.g. spare reeds, rosin, endpin, recorded accompaniment music and player, pedal extender, etc.) with them.
- (b) Candidates are responsible for the set-up, use and function of their instruments.
- (c) AMEB State Offices and their staff (examiners, and supervisors) are not responsible for the provision, set-up, use and function of any instruments except for a Piano.
- (d) Candidates should ensure their instruments are tuned as allowed and/or required by the relevant syllabus and that any permitted or required additional instrument is also tuned according to the syllabus requirements.

16. P Plate Piano

- (a) Candidates in a face-to-face P Plate Piano assessment may be accompanied in the examination room by a parent/guardian and/or teacher.

17. Fingerboards

- (a) Marked or fretted fingerboards are only allowed at Preliminary grade string examinations for bowed string instruments.

18. Examination Results

- (a) Examinations are marked and graded according to [Regulation 21](#) and [Regulation 22](#).

19. Other requirements

- (a) The General Notes/Foreword at the beginning of each syllabus outline any details specific to that syllabus.

Section 2 – P Plate Piano

- (a) Candidates may undertake, non-graded assessment at the completion of each of the three AMEB P Plate Piano books.
- (b) The duration of the assessment is 6 minutes.

Section 3 – Comprehensive Practical examinations – General Requirements

- [TABLE D](#) sets out Preliminary to Grade 8 examination times in minutes noting that not all instruments are examined at every Grade. The table indicates the total time allowed to complete the examination. Times given for Piano Exams at Grades 5 to 8 are for solo comprehensive and repertoire examinations.
- Examination Sections:
Comprehensive examinations in Preliminary to Grade 8 comprise three sections:
 - Section I – Technical Work – Test requirements are set out in the current AMEB Technical Work publications for the instrument/subject and Grade, and/or in the relevant Syllabus.
 - Section II – Studies and Pieces (sometimes referred to in a Syllabus as a Program). The number of Pieces and the Lists for each Grade are detailed in the Syllabus.
 - Section III – Aural Tests (see [TABLE B](#)), Sight-Reading (below) and General Knowledge ([TABLE C](#)).
Sight Reading Tests apply to Grades 1 – 8 and are set within the limits of the technical standard of the Grade.

TABLE B – Comprehensive Examination Section III – Aural Test Requirements – Preliminary to Grade 8

Aural Tests in Grades other than Preliminary are played twice.

In the case of tests specified in more than one Grade, the difficulty of the examples given to the candidates are adjusted to the standards of the respective Grades.

Interval Tests: Boys whose voices are at the 'breaking' stage may respond to the pitch tests by whistling instead of humming or singing. In tests where interval recognition is required:

- Grade 3 requires candidates to name the interval as being the second, third, fourth, or fifth of the scale.
- Grades 4, 5 and 6, require candidates to name the intervals as major second, major third, perfect fourth, etc.

Grade	Test Requirements

Candidates can expect to be asked:

- At least one question about each List piece presented;

Questions are based on the full piano score and focus on the following areas:

- Terminology, including the significance of titles and the meaning of all markings contained in the score.
- Composers: relevant biographical information, sources of influence, impact upon later generations of composers and repertoire output (both in the discipline being examined and more broadly).
- Historical and stylistic context: how each work relates to the period from which it arises, considering both its compositional style and the performance conventions of the time.
- Structure: formal layout, keys, melodic/harmonic language, and the identification of climax points.
- For instrumentalists, the construction and development of the instrument, with special consideration given to any implications this may have upon the repertoire that is performed.

2. In addition to the General Knowledge examples above, candidates in Woodwind, Percussion, Band, Musical Theatre and Singing must consult the General Knowledge requirements in the relevant Syllabus for specific requirements.
3. Candidates may be required to prepare program notes for the examiners for Section I of the exam, as set out in the relevant Syllabus.

- Familiarity with the accompanying part in items requiring accompaniment, with a consistent and integrated sense of ensemble between soloist and associate artist.
- Mastery of technical and stylistic elements resulting in an expressive and coherent performance.
- Command of contemporary techniques appropriate to the instrument.
- Understanding of performance conventions relevant to the works being performed, and an ability to differentiate between a range of musical styles.

Content

The candidate is expected to choose a full recital programme, of approximately 80 minutes' music content (60 minutes' music content in the case of Brass, Woodwind and Singing).

The programme should show balance and cohesion. Works will be chosen to demonstrate the candidate's proficiency in a variety of musical styles or in any style preferred by the candidate in the area of specialisation (e.g. Lieder, contemporary repertoire etc). It is expected that complete works will be chosen (e.g. a complete sonata rather than particular movements). The program should include works consistent with the high level of this award and avoid being dependent on repertoire from lower levels in the current AMEB listings.

The programme should be planned as two halves with a 20 minute interval.

If the candidate wishes to include contemporary works requiring prepared piano in the programme, this must be discussed with AMEB to determine whether it may be accommodated.

Chosen works which require Accompaniment or a Collaborative Artist(s) must be performed with the necessary Accompaniment or Collaborative Artist(s).

Memorisation

For pianists the entire programme must be presented from memory with the exception of contemporary works. For string players, the entire programme must be presented from memory except sonatas and contemporary works. For other instrumentalists, presentation from memory is encouraged but is not mandatory. For singers, presentation from memory is required except in cantatas and oratorio.

These requirements relate to both the video audition and the examination recital.

Entry

Candidates are advised that the process from entry to examination may take 12 months and it is suggested they contact their State Office for more information about the timeline and enrolment closing dates.

Candidates need to take three steps to enter for FMusA. A fee will be charged for each step.

Step 1 – Programme submission:

Candidates are required to submit their proposed programme, together with timings, for approval by AMEB. The programme should be submitted online via SCORE at score.ameb.edu.au. A fee will be charged.

The Federal Chief Examiner will consider the programme and the candidate will be advised within three weeks of the approval, or otherwise, of the programme. After notification of approval has been provided, no programme changes are allowed within 12 months. Should the candidate wish to amend their programme within that time, they will be required to restart Step 1. If the programme is not approved, the candidate may revise and resubmit their programme (if desired) once only up to two weeks after the initial notification is received. If the resubmission is also unsuccessful, candidates may recommence Step 1 after three months.

Step 2 – Video audition:

Following approval of the programme, candidates are required to submit a video recording of a performance of their entire programme, for approval by AMEB. This is a key stage in the entry process and will determine whether the candidate is offered the opportunity to enrol for the FMusA examination. A fee will be charged.

The video audition should be treated as a formal recital performance, conducted in a high quality environment, with live audi-

ence if desired. The video must be recorded in a single session on a single day and must include each individual work in the complete programme, including multi-movement works and associate artists. The candidate may stop at the programme interval point or take short breaks between works if needed. Video recordings should be submitted online via SCORE at score.ameb.edu.au.

The video will be considered by a panel of three current AMEB examiners, chaired by the Federal Chief Examiner. One of the other examiners will be a specialist in the instrument being examined. The candidate will be advised within four weeks whether their video audition has been successful and they may proceed to Step 3. If unsuccessful, the candidate may complete and submit another video recording within three months for assessment. No further resubmissions are allowed within 12 months at which point the candidate must restart the entry process.

Step 3 – Enrolment for examination:

Candidates must enrol for the recital examination with the AMEB office in their state within 12 months of the approval of their video audition. A fee will be charged.

Recital

The examination takes the form of a public recital.

Requirements regarding arrangement of the recital (including selection of venue, instrument requirements, rehearsal time, equipment, audience, and programme preparation) are set out by the AMEB State Offices. It is the responsibility of the candidate to follow these requirements. Candidates should consult with their State Office for further information.

Appropriate dress for a public recital should be worn, and the candidate should be aware of the appropriate manner in which to acknowledge the audience and the associate artist(s) if applicable.

It is the responsibility of the candidate to select and manage their associate artist(s) including payment of any expenses.

Candidates must bring to the recital three copies of the music for the examiners.

Assessment

Fellowship examinations will be examined by a panel of three examiners, chaired by an AMEB Federal Examiner. The other two examiners will be an AMEB examiner and a person who is not a current examiner, both of whom are either specialists in the instrument being examined or the instrument area. At least one of the three examiners will be a specialist in the instrument being examined.
