

# SKOPE Funding

**With affordable payments, anyone can afford new refrigeration**

**We've crunched the numbers** and they speak for themselves.

After 5 years, \$20,134 has been paid and you don't own the equipment. With SKOPE Funding, you have paid \$16,401, have 5 years of warranty, 5 planned maintenance visits AND own the equipment. This is a saving of over \$3,733.

But that's not all. You also receive:

- ☑ Warranty cover that matches your term
- ☑ Annual planned maintenance thrown in
- ☑ And no surprises – we don't use end of term balloon or residual payments

Plus you get to free up cashflow, load your balance sheet, and own the equipment.

**It all adds up to complete peace of mind.**
