

SKOPE Funding

With affordable payments, anyone can afford new refrigeration

We've crunched the numbers and they speak for themselves.

For example, finance \$10K of refrigeration over four years with SKOPE Funding and you save almost \$5K through lower repayments.

How low? Try \$3 a day*

But that's not all. You also receive:

- ✓ Warranty cover that matches your term
- ✓ Annual planned maintenance thrown in
- ✓ And no surprises – we don't use end of term balloon or residual payments

Plus you get to free up cashflow, load your balance sheet, and own the equipment.

It all adds up to complete peace of mind.
