Alternatively if photos and payment cannot be completed online then these must be sent in with verification documents

WT12 Regional Teams

The Race rules review process in 2011 saw a change to the W12 regional team eligibility. Rule 21.7 in the Race rules now reads:

WT12 crews can be made up of competitors from up to two clubs from the same region in any division provided the clubs in question do not have sufficient paddlers to form their own, stand-alone, WT12 crews. A WT12 crew made up of 2 clubs may be a combination of any number of paddlers from those two clubs. They must satisfy all other rules as specified in this document.

Adaptive Paddler Regional Teams

This year we are keen to provide opportunity for Regions to enter Adaptive regional teams. If you have adaptive paddlers in your club or region that may wish to take up this opportunity please inform them.

The Adaptive paddling movement around the world is gathering momentum very quickly and we are keen to provide opportunities for all.

Please contact admin@wakaama.co.nz if you have questions.

W1 Entries & Quota

Entry Fee:

If you are entering W1 only the full fee is payable for your age category. There is no extra fee for entering the W1 events if you are also paddling W6/W12.

Quota:

To manage the W1 events it is necessary to limit entries. Therefore a set number of heats for each category have been confirmed. Regions are allocated 4 entries for each race division, plus extra quota for having finalists in the previous years Nationals.

A further allocation may be made by distributing spare lanes across regions according to previous level of entries for the region. 8 lanes have been used as a base, however, you may notice that some events may total 9 lanes; this has been done to reduce the need to create further heats.

There will be no reallocation of unfilled regional quota.
