Club Trophies

In 2011 Nga Kaihoe o Aotearoa awarded 2 new trophies.

These trophies are perpetual trophies that will be awarded at future nationals and enjoyed by Generations of Waka Ama paddlers.

The Trophies were carved by Matahi Whakataka-Brightwell who has been instrumental in the re-birth and growth of the sport of Waka Ama in Aotearoa.

The first is a trophy that recognises a clubs paddling excellence and achievement throughout the week. Points will be accumulated throughout the week from all finals and the club with the most points at the end of the week will be awarded this honour.

This trophy was last year awarded to **Horouta Waka Hoe** who topped the club points with 236. [Click here to see full club list of points](#)

The second trophy was carved and named in honour of Ace Cuthers who we sadly lost in 2010. It is the **“Ace Cuthers Memorial Club Spirit Award”**. It will be chosen by the Volunteers and Officials at the event. They will take into consideration actions of the club throughout the week, their performance on and off the water. The club that optimises the values of Waka Ama; Manaakitanga, Whanaungatanga, Hauora , Tu Tangata.

The winning club in 2014 was **Nga Hoe Horo Outrigger Canoe Club**. Both trophies will be on display all week in the Don Rowlands centre and will be awarded at the final medal presentation on Saturday 17th January.

START RULE EXPLANATION

Every race will approach the false start line and start line the same.

- ◆ Just as normal the **WHITE FLAG** will be used to signal to the Waka they are aligned and to proceed to the false start line.

1. As per normal once all the Waka are aligned on the false start line the **RED FLAG** will be raised to proceed to the start line.

2. If during this time at least the bow of **one** canoe is over the start line – the **BLACK FLAG** will be raised.

(This allows for canoes to correct themselves if they find they are over the start line.)

3. If the canoes are corrected the **BLACK FLAG** will be lowered and the **GREEN FLAG** will start the race.

4. If after a reasonable amount of time the canoes have not been corrected the **BLACK FLAG** will remain raised and the **GREEN FLAG** will then start the race.

This makes it clear:

- If the **BLACK FLAG** is **lowered** when the **GREEN FLAG** is raised – *No teams will be disqualified for START LINE FAULTS*
- If the **BLACK FLAG** is raised and then **remains risen** as the race starts – *There will be at least one team disqualified for a START FAULT.*

Volunteers

We have a dedicated team of volunteers for the entire week. We are very grateful for all those who have offered their time to volunteer during the week, thank-you.
