2.30pm All races finished

\*Note all briefings will be signalled by an air horn

### Safety Checks

All safety checks need to be completed 15mins prior to racing. Checkers will be in yellow high vis and it is the teams responsibility to ensure your waka is checked. We will not start the race until all are checked. If your waka is being used for multiple races you need to have another check between races.

Any clubs only racing one way can contact AROCA and we will assist in linking you with another club to ensure balance of Waka going to Maraetai and returning is correct.

## Safety Equipment

Special note: each crew in the long distance is responsible for providing their own safety equipment, bailers and spare paddles.

**Waka and Trailer drop off to be confirmed once site map finalised.**

## Results

All results will be on AROCA facebook page directly after the race, they will also be displayed at the venue.

## Race Maps

**Please note for the 20km course clubs must ensure all paddlers are capable of completing the race.**

5km course

Approx 20km Map
