### Competition points:

Points are allocated to crews and are based on results at each Rotohoe Event and will be totalled at the end of the series. These totals will then determine the winners of each division over the series. Crews can only accumulate points in ONE division over the series.

For Championship placements on the points table:

- Crews are required to have at least **three of the same** crew members in each race.
- Crews need to complete **at least three** Rotohoe races.
- Crews must paddle in the scheduled race. Mixed crews **must** compete in the Women's/Mixed race (Race 1) to be eligible for points.
- There **must** be a minimum of three participants (W1, W2 or W6) in a division. In the event that there are insufficient participants in a division, paddlers/teams can enter a lower age division e.g. Senior master women can choose to race in the master women's division if there are only one or two senior master women's teams.
- Points allocation: 1<sup>st</sup>=4pts 2<sup>nd</sup>=3pts 3<sup>rd</sup>=2pts. All other entries = 1pt

NB: Please ensure you register with the same crew name at each event.
