

## FBP30117 Certificate III in Food Processing - Micro Brewing

Calibre Training and Development (RTO# 32394) has recently released the latest Micro Brewing Program, it is an industry focused course giving participants the opportunity to undertake a nationally accredited course FBP30117 Certificate III in Food Processing (Micro Brewing) which is recognised across Australia.

Are you a **budding craft brewer**? Queensland's independent craft brewing industry is growing rapidly, with an average annual growth over 11% with new facilities are opening up every month and employ on average 20 - 50 full time employees. This is your opportunity to learn the skills and gain a nationally recognised qualification to launch your career into this emerging and exciting industry.

Calibre Training and Development is a Pre-qualified Supplier of the Queensland Government Certificate 3 Guarantee Program, which enables us to offer this program **free to eligible year 12 graduates**. Participants will gain a fundamental knowledge of food safety guidelines and procedures including how to monitor food quality programs and WHS in addition to Micro Brewing specific units such as wort production, brewery fermentation, beer maturation, beer filtration processes etc.

### LOCATION

Brisbane, Gold Coast, Sunshine Coast

### DELIVERY

Your hands on training will take place in a commercial brewery, with access to up to date and current industry equipment. Delivery will be over a three week period, Monday – Friday.

### NIL FEES

For eligible school leavers

### ELIGIBILITY

- have completed Year 12 in Queensland and hold a Senior Statement issued by the Queensland Curriculum and Assessment Authority or equivalent certification (in the previous year)
- permanently reside in Queensland.

For further information about the Certificate 3 Guarantee Program refer to [www.desbt.qld.gov.au](http://www.desbt.qld.gov.au).
