

EMERGENCY PHYSICIAN (DOCTOR)

Thomas works full time at [The Royal Melbourne Hospital Emergency Department](#). Three shifts per week are direct patient care. A fourth shift each week is office based, and includes Chairing the Quality and Transformation Committee at RMH ED, roster design and lectures to medical and nursing under and post graduates.

He represents the Australasian College for Emergency Medicine at Safer Care Victoria's Care of Older People in Hospital Clinical Leadership Group. Outside work he tries to stay fit to prevent having to attend ED as a patient.
