

ACCOUNTANT

Chris graduated at St Bede's in 1990 and was the Accounting dux and also played in the school basketball and golf teams. Upon leaving St Bede's, Chris completed a Bachelor of Business (Accounting) at Monash University. Chris worked at a tax accounting firm for 2 years before joining Chartered Accounting firm Ferrier Hodgson that specialises in major corporate insolvencies and restructures. Chris worked at Ferrier Hodgson for over 10 years that included a 3 year secondment to London to broaden his international business experience and this opportunity also provided wonderful travel opportunities. Chris joined GE Commercial in 2006 as a senior sales manager lending funds to top 200 companies. Chris was subsequently approached to join Australasia's largest industrial online auction company, GraysOnline, and became the Victorian General Manager in 2012 managing 80 staff. Chris' experience is a great example of the variety of opportunities that a business and accounting degree can provide. Chris is married to St Bede's staff member Lisa Leeds.
