

BUSINESS INFORMATION SYSTEMS (CLOUD PLATFORMS) & ACCOUNTING

He graduated with a Bachelor of Commerce from the University of Melbourne in 1987 and then qualified as a Chartered Accountant. This allowed Andrew the opportunity of working in London for several years and fell into managing business management systems. He then worked for a Global IT company called Oracle and included a year working in the San Francisco Head Office.

Now Andrew works as a director of a company called Cloud Culture that works with Start-ups, Directors/Business Owners to transform and modernise their businesses using cloud based solutions.

Andrew played football with the St Bede's Old Collegians from 1985 and during the merger and is currently the Finance Director on the Board of the St Bede's/Mentone Tigers football Club. He met his wife overseas and has a daughter doing a Business degree at RMIT and a son in year 12 at St Bede's.
