

Using Your Degree

Engineering - Mechanical

Purpose

The following information provides career titles, employment opportunities, professional associations and links to salary information relevant to these qualifications.

This publication is prepared as a guide only. The content is based on information publicly available.

Each list provides a sample only. It is not intended to be comprehensive.

Careers that can be moved into with these qualifications:

Note: further qualifications may be required for some roles.

- Administrator
- Aeronautical Engineer
- Aircraft Maintenance Engineer (Avionics)
- Analyst Programmer
- Building, Architectural and Surveying Associate Professional
- Chemical and Materials Engineer
- Chemist
- Design Engineer – Mechanical
- Engineering Professional
- Engineering, ICT and Science Technician
- Environmental Consultant
- Exporter
- Hydraulic Engineer
- Industrial Engineer
- Industrial Designer
- Mechanical Engineer
- Mechanical Maintenance Engineer
- Software Engineer
- Specialist Manager
- Structural Engineer
- Thermal Mechanical Engineer

Potential employers of students with these qualifications:

Note: Entities listed are not to be taken as endorsements or recommendations.
