VTAC Year 11 and 12 Guide

The *VTAC Year 11 and 12 Guide: Researching Courses and Applying* publication is designed to lead students through the course research and application processes, with the expectation that it will make it as straight forward as possible for students. So, Year 11 students will benefit by using this publication to plan, research, and make tentative decisions, whilst the Year 12 students will use it to plan, research, decide, and apply. The publication provides information on *key dates*, *how the application process works*, *useful tips on scholarships*, *VTAC personal statements*, and much more! Although each Year 11 and 12 student will receive their own personal copy, this guide is also available as a PDF - [VTAC Year 11 and 12 Guide](#)

[The 2018 VTAC Year 10 Guide](#) provides information and activities to help Year 10 students identify their strengths and interests, research tertiary education and choose their senior school studies.

Monash Entry Schemes

At Monash, we know that a student's ATAR might not accurately reflect their ability. Life can be a bumpy road, and there are all sorts of circumstances that can get in the way of a student's academic achievement.

We operate two schemes – the Monash Guarantee and the Special Entry Access Scheme (SEAS) – that can help students enter their preferred course, even if their ATAR is below the lowest selection rank.

By having two schemes, Monash wants to create a level playing field for everyone who aspires to an exceptional education. By operating both schemes, Monash can also help as many students as possible reach their full potential.

Students do not have to choose between the two schemes – depending on their situation and background, they could be eligible for one or both.

1. The Monash Guarantee

The Monash Guarantee can get a student into a Monash course even if they do not reach the course's lowest selection rank. Students could be eligible for the Monash Guarantee if they:

- have experienced [financial disadvantage](#)
- live in a [low socio-economic area](#)
- are an [Indigenous Australian](#)
- attend a [Monash list under-represented school](#)

So, every Monash undergraduate degree has a [Monash Guarantee ATAR](#), which is lower than the expected selection rank for that course. For most courses, if a student meets the [eligibility criteria](#), achieves the [Monash Guarantee ATAR](#) (starting at 70.00), and completes all course prerequisites, they will be eligible for a place at Monash. To be considered for the Monash Guarantee, Year 12 students must *submit a VTAC course application, complete a Special Entry Access Scheme (SEAS) application including any required documentation, and complete a VTAC Scholarship application.*

Find out more at [The Monash Guarantee](#).

2. Special Entry Access Scheme (SEAS)

SEAS adjusts students' ATAR in recognition of circumstances that may have affected their education. This gives students a better chance of getting an offer for the course they want.

CASPer Entry Requirements for Teacher Qualifications

CASPer is an online test designed to assess an applicant's personal and professional attributes. CASPer is a requirement of applying to many initial teaching training courses in Victoria - [CASPer](#)

A number of universities will be requiring students sit the **CASPer** online test as part of the selection into teaching degrees in 2019. Students are encouraged to browse [VTAC](#) and learn which courses will require the **CASPer** for selection.

Not everyone can attend every Open Day and various Institutions hold their Open Days on the same date!

If you can't attend an Open Day and you are interested in a particular institution, you may visit at other times.

If you wish to speak to a particular person, it is essential to make an appointment first

This information was correct at the time of publication.

Students are encouraged to confirm times themselves.
