

AWSC STUDENT SHOWCASE

The Animal Welfare Science Centre invites you to attend the 2019 Student Showcase.

Join us to celebrate and learn about animal welfare research being conducted by our postgraduate students in companion, zoo and production animal settings.

If you are passionate about animal welfare and want to learn about career paths that are available, this is the event for you.

TUESDAY 1ST OCTOBER 10AM-1PM

Collaborative Learning Centre (G04), Western Edge Biosciences Building (125)
The University of Melbourne, Parkville
