

APP DEVELOPER/PROJECT MANGER

DIGITAL

With over 9 years working as a Project Manager in Digital, Sasha has helped some of the biggest brands in Australia such as Movember, Disney, Hoyts and Converse establish themselves in the online space. From social media and digital billboards to e-commerce and online ticketing, he's experienced the birth of one of Australia's fastest growing tech industries.

Since then, Sasha has studied software development and co-founded a mobile app development studio called [Hyper](#). If you're looking for a unique alternative to traditional job placements in Australia, Sasha has an interesting story to tell.

WHERE IDEAS TURN INTO GAME CHANGING COMPANIES

Together we help bring your vision to life by building world-class apps for both enterprise and start-ups. We are leaders in app development in Australia, providing a full suite of services to take you from idea phase to execution.

A GREAT IDEA IS MORE THAN JUST A GREAT APP
