

CONSTRUCTION AND PROJECT MANAGEMENT

Geoff completed Year 12 at St Bede's in 1986 and went directly into the property industry. Geoff has been involved in both the property and construction industries for over 30 years. Throughout his career he has continued undertake relevant training including Executive MBA and Post Grad (Property).

Geoff has since 2000 run his own project management and construction company and has been involved in a diverse range of products from managing the [Whitten Oval redevelopment](#) for the Western Bulldogs to the construction of apartment projects, regional shopping centres, etc.

Geoff is keen to discuss the diverse nature of the property and construction industries and the pathways to succeed in both.
