Hi there,

My name is Shane Hardcastle, one of the directors of InspirED.

Previously known as HSC in the Holidays, InspirED is a collection of 68 senior teachers who partner with leading universities to provide support for HSC students. Over the last 15 years, we have helped over 35,000 students from almost 400 schools to achieve their academic potential.

We've changed our name to InspirED because we've moved on from being just a holiday program. We're invested in your school and your students' entire academic journey, beyond just the build-up to exams. Here are the services we offer to help your students achieve their best:

**HSC LIVE**

- Face-to-face study events held in holiday periods
- 4-6 hours sessions run by subject experts
- Held on campus at our partner universities

**HSC 4 Me**

- All-in-one study app for the major HSC subjects
- Access to notes, videos, essays, webinars, summaries and more
- Thousands of practice questions with exemplar solutions

**HSC CONNECT**

- Simulated HSC Examinations held in the July holidays
- Can be sat at Macquarie University, or completed at home
- Fully marked by our teachers and feedback provided

It's important to note that all of these products and services do not replace what takes place in the classroom. InspirED supports students to reach their full potential by complementing, not competing with, what they've learned at your school.

If you'd like, there's more information on our website [inspired.edu.au](https://inspired.edu.au). You are also very welcome to contact me directly.

Yours sincerely,

Shane Hardcastle

## Simulated HSC Trial Exams

### Sit practice exams and receive personalised feedback before your trials

For students preparing for their HSC trial exams, a series of mock exams written by HSC markers will be run in the July holidays.

Students can either complete these on campus at Macquarie University in a fully supervised environment OR access, complete and submit them online via our student portal.

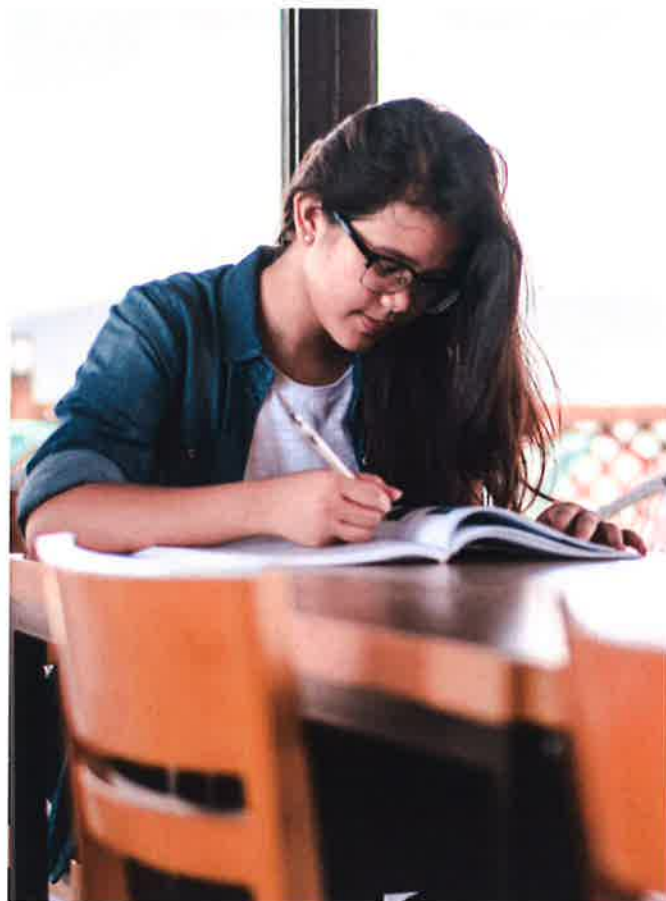

Exam results and feedback will be provided by HSC markers by Friday 26th July. This will give students between 2-4 weeks to review before their trials.

### Subjects offered:

English Standard	Biology
English Advanced	Chemistry
Mathematics Standard	Physics
Mathematics Advanced	Business Studies
Mathematics Ext. 1	PDHPE

### School bookings:

Schools are welcome to make bookings for larger groups and cohorts. For such bookings, please enquire to [info@inspired.edu.au](mailto:info@inspired.edu.au) or call us on 1300 677 336.

### Pricing:

Depending on the length of the paper, each exam is between \$35-\$50.

### Timetable and Registration:
