Once your platter is ready, pair it with a local wine or craft beer and make your way to the Robe Jetty. Here, as you savour the delicate flavours of the sea, you'll be treated to panoramic views of Guichen Bay - a perfect moment to slow down, breathe in the salty air and soak in the magic of this coastal escape.

Buckle up and set off on a thrilling [4WD adventure](#), navigating rugged coastal tracks that wind through towering dunes, limestone cliffs and secluded beaches. For those self-driving, pick up a 4WD guide and tide times chart from the Robe Visitor Centre before you set off, or if you prefer a local guide, contact [Robe 4x4 Back Beach Adventure Tours](#) for a half day tour or tag along style adventure. Along the way, discover a landscape shaped by time - tranquil lakes, coastal mallee and ancient shell middens offering glimpses into the region's Indigenous heritage. Take a leisurely stroll along Long Beach, letting the soft sand warm your toes and the waves create a soothing soundtrack to your morning.

LIMESTONE COAST BOAT TOUR

The call of the ocean awaits! Departing from Lake Butler Marina, embark on a [Limestone Coast Boat Tours](#) adventure, where the wild beauty of Guichen Bay unfolds before you (be sure to pre-book this prior to arrival). Cruise past the sweeping sands of Long Beach before heading to Godfrey Island (Baudin Rocks), home to Australian Sea Lions and Long-nosed Fur Seals. Watch as they bask in the sun, frolic in the shallows, or swim curiously up to the boat for a closer look. In summer, you may even spot playful bottlenose dolphins gliding through the waves. Throughout the journey, seabirds like Gannets and Cormorants soar overhead. To finish, take in the stunning offshore view of the Robe Obelisk, standing defiantly against the elements—a picture-perfect ending to your ocean adventure.

If the weather doesn't allow for a boat tour, head to Jumbo's Landing at Lake Battye for a kayak or standup paddle board adventure. [Stillwater Paddleboards](#) do tours, or you can hire equipment through [Inflate Kayak Hire](#).

COASTAL BIKING ADVENTURE

Back on land, the adventure continues with a [TRACX](#) Mountain Bike Tour along Robe's stunning coastal trails. Feel the rush of salty air as you ride along rugged cliffs and past pristine beaches, immersing yourself in Robe's natural beauty.

The best part? The tour is tailored to your experience level, ensuring you're challenged, yet comfortable as you explore at your own pace.
