ALFRED HEALTH

Alfred Health is the main provider of health services to people living in the inner southeast suburbs of Melbourne and is also a major provider of specialist services to people across Victoria. The health service operates three outstanding facilities, The Alfred, Caulfield, and Sandringham.

Further information about Alfred Health is available at www.alfredhealth.org.au

OUR PURPOSE

To improve the lives of our patients and their families, our communities and humanity.

OUR BELIEFS

Our staff are expected to demonstrate and uphold the beliefs of Alfred Health:

- Patients are the reason we are here – they are the focus of what we do
- How we do things is as important as what we do. Respect, support and compassion go hand in hand with knowledge, skills and wisdom. Safety and care of patients and staff are fundamental
- Excellence is the standard we work to everyday. Through research and education, we raise the bar for tomorrow
- We work together. We play vital roles in a team that achieves extraordinary results
- Our leadership shares ideas and demonstrates behaviours that inspire others to follow
DEPARTMENT

ALFRED HEALTH ACUTE PHYSIOTHERAPY SERVICE

Alfred Health’s Acute Physiotherapy Service provides physiotherapy services to the patients of The Alfred and Sandringham Hospital. Alfred Health’s Acute Physiotherapy Service is the amalgamation of The Alfred Physiotherapy Department and the Sandringham Hospital Physiotherapy Department.

The Acute Physiotherapy Service is organised into five functional streams, namely: Intensive Care, Musculoskeletal, Respiratory, PAN (Progressive Illness, Aged Care and Neurosciences), and Sandringham. The first four streams are located at The Alfred site, with the fifth and latter stream based at the Sandringham site.

The Acute Physiotherapy Service consists of approximately 62.0 eft and 120 people. The Acute Physiotherapy Service has a proud history of clinical and academic excellence. It remains strongly committed to further pursuing excellence in physiotherapy.

Alfred Health’s Acute Physiotherapy Service, in partnership with Caulfield Hospital, is a Physiotherapy Clinical School, for both La Trobe and Monash Universities.

Alfred Health’s Acute Physiotherapy Service is committed to improving the level of evidence for physiotherapy best practise, through clinical research.

ALFRED HEALTH ACUTE PHYSIOTHERAPY SERVICE VALUES STATEMENT

Consistent with Alfred Health’s Mission Statement, we strive to deliver excellence in physiotherapy services in patient care, research, education, staff development and peer support.

We achieve this through:

- Professionalism
- Teamwork
- Innovation
- Respect
- Compassion
- Open Communication
- Embracing Diversity
- Enthusiasm
