## Key facts about your rental

This summary aims to help you understand what is included or excluded in your rental and the options available to enhance your journey. Please ask a Thrifty staff member if you need further clarification.

### Important information

<b>Damage to vehicle</b>	You are responsible for any loss or damage to the vehicle (and related losses and fees) during the rental even if it is not your fault (subject to some exceptions) up to the level of Basic Protection (BP) per incident unless a Prohibited Use applies. See <b>Damage and Loss</b> on page 6 for details.
<b>Prohibited Uses</b>	The vehicle must not be used in a manner constituting a Prohibited Use. If loss or damage to the vehicle is caused by an event/occurrence that is a Prohibited Use, you are responsible up to the full value of the vehicle and related losses and fees including 3rd party damage and losses. Examples of Prohibited Uses that may result in full liability include incurring overhead or undercarriage damage, driving off-road and/or on roads other than tar-sealed or metal roads or failing to safeguard the vehicle (e.g. leaving keys in vehicle) or allowing an unauthorised driver to drive the vehicle or filling the vehicle with the incorrect fuel. See page 4 for full list of Prohibited Uses.
<b>Thrifty Cover Options</b>	You may reduce or eliminate the Basic Protection (BP) for this rental by purchasing a Thrifty Cover Option (Premium Protection (PP) or Ultimate Protection (UP)). If a Prohibited Use applies, you cannot rely on any Thrifty Cover Option to reduce or eliminate your liability. Further, Thrifty Cover Options does not extend to any accessories (e.g. child seats and GPS units) that you rent. See <b>Annexure 3</b> (Minimum Cover and Thrifty Cover Options) for details.
<b>Accessories and Keys</b>	You are responsible for any loss or damage to keys and any accessories on hire. You cannot rely on any Thrifty Cover Option to reduce or eliminate your liability.
<b>Personal Possessions in the Vehicle</b>	Thrifty is not responsible for any loss or damage to you and your passenger's personal possessions in the vehicle, under any circumstances.
<b>Pick Up</b>	You should check the vehicle for damage before driving away and record any variations on the Rental Agreement in conjunction with a Thrifty staff member. You are invited to take a time stamped photograph of the relevant pre-existing damage before leaving the rental location and show a Thrifty staff member.
<b>Roadside Assistance</b>	We provide basic roadside assistance. It will not cover incidents that are your fault (e.g. running out of fuel, lost keys or locking keys in the vehicle). The Roadside Assistance number should be used in the event of either an accident or a breakdown. See page 5 for details.
<b>Return</b>	You may incur additional charges if you return the vehicle at a different time or place agreed or if it is in an excessively dirty condition or with excessive odour. Smoking in the vehicle is prohibited. If the vehicle is returned excessively dirty or with excessive odour, a <b>Cleaning Fee</b> will be levied.
<b>Out of Hours Return</b>	If we agree to you returning outside location hours, you will be responsible for the vehicle until we regain possession of the vehicle when the location re-opens.
<b>Purchase of Insurance from Third Party</b>	If you purchased excess waiver insurance or similar from a third party to cover your liability to Thrifty, you remain liable for payment to us, up to the level of Basic Protection (BP), irrespective of whether you obtain reimbursement from your insurer.

### What is included in the rental rate

<b>Kilometre</b>	All hires include unlimited kilometres unless otherwise stated. If a kilometre limit applies, the daily kilometre allowance is shown on your Rental Agreement. If you exceed this daily allowance, a charge may apply.
<b>Minimum Cover</b>	Your liability for loss or damage to the vehicle is limited to the Basic Protection (BP) unless a Prohibited Use applies. Any loss or damage to keys or any accessories on hire is not covered by the Minimum Cover or Thrifty Cover Options. You are responsible for any loss or damage to keys and any accessories on hire.
<b>Fuel</b>	Your rental vehicle is provided with a <b>full tank</b> of fuel. You can either return the vehicle full, pay for fuel in advance when you pick up the vehicle or pay for us to refill the tank for you at the rate shown on your Rental Agreement.

## What is not included in the rental rate

Thrifty Cover Options are available for purchase for an additional charge to reduce or eliminate liability to Thrifty for loss or damage to the vehicle (provided a Prohibited Use does not apply) but not to keys or any accessories on hire.

Optional Renter Protection Services are available to purchase for an additional charge and can either reduce or eliminate your liability to Thrifty for loss or damage to the vehicle (provided there has not been a use of the vehicle that would cause a Prohibited Use); or provide cover for other purposes depending on the services you select:

- **Ultimate Protection (UP):** Reduces the excess to zero in the event that there is damage to or loss of the vehicle.
  - In addition, you will also benefit from:
  - Fees waived in respect of Thrifty Claims Management Fee and External Damage Assessment Fee
- **Premium Protection (PP):** Reduces the excess to a lower amount as stated on your Rental Agreement.
- **Toll Cover:** Includes all toll charges under one flat daily fee as advised at the time of reservation.

Further details can be found in **Annexure 3 (Thrifty Cover Options)**.

### Fuel

- **Fuel Purchase Option** – You may choose to pay for a whole tank of fuel in advance so you don't need to fill the tank on return (although no refund will be given for any unused fuel)

Fees and Charges that may apply to your rental are found in **Annexure 1 (Charges Explained)**.

We do not cover:

- Parking, speeding and traffic fines
- Private parking charges

### Processing fees (related to fines, private parking charges and damage claim processing)

Further details can be found on page 5 (Fines, Tolls and Other Charges).

If we receive notices for fines and parking charges during the rental period, we will give the authorities your name, address and drivers licence details and charge an Infringement Administration Processing Fee. Toll charges will be charged to you directly by Thrifty (unless you have purchased Toll Cover), and we will also charge a Processing Fee.

- Any terms of the Agreement that are intended to apply after the termination of the Agreement, will survive including the terms in **Damage and Loss** on page 6.
- In the event of termination and/or repossession you will not be entitled to a refund of any part of the rental charges in so far as the termination and/or repossession is caused by your actions or omissions.

## Charges

- You agree to pay Thrifty for all charges with a credit card or Visa/Mastercard debit card that is accepted by Thrifty or by cash at the time of vehicle return (provided a credit card is provided for security purposes at the time of vehicle collection) and in addition authorise Thrifty to reserve a security bond (payable by credit card only) to cover any other charges or liability that may arise during the rental period.

## Vehicle

- **Definitions:** all references in these Rental Terms to:
- **"the vehicle"** means:
  - the vehicle described on the Rental Agreement that Thrifty supplies to you, and includes all vehicle parts, tyres, tools (supplied with the vehicle); and
  - except for the purposes of describing the goods covered under the Minimum Cover and the Thrifty Cover Options, also includes all other accessories or equipment in or fitted to the vehicle by the manufacturer or by Thrifty, such as keys, child restraint seats, GPS devices and a Vehicle Monitoring System. For the avoidance of doubt any loss or damage to keys or any accessories on hire is not covered by the Minimum Cover or Thrifty Cover Options;
- **"VMS"** means a Vehicle Monitoring System. The vehicle may be fitted with a system which can be used to lock and unlock the vehicle doors and tracks and records the geographical location, distance and speed of the vehicle during the rental period. It can also be used to immobilise the vehicle. You agree that we can track and record your location and your use of the vehicle using the VMS, which may include your personal information. Refer to **Annexure 4 (Privacy)**.
- **Condition:** It is your responsibility to check the vehicle condition at the start of the rental period and on return. Pre-existing damage will be noted on our Vehicle Condition Report on your Rental Agreement.
- **Care:** You are responsible for looking after the vehicle, ensuring the vehicle is not used in a manner constituting a Prohibited Use and for returning the vehicle in the condition Thrifty provided it in, subject to fair wear and tear. You will take all reasonable care in handling and parking the vehicle. You will ensure the vehicle is securely locked when not in use. - **Maintenance:** In the case of a long term rental (being a rental over 30 days), if the rental period spans the normal maintenance period (being the next service noted on a sticker inside the windscreen, a service indicator illuminating on the dashboard, or after 10,000kms – whichever comes first) you must return the vehicle to the nearest Thrifty location to arrange for the vehicle to be serviced or exchanged.

### Important

You are responsible for returning the vehicle in the same condition as it was in when we provided it to you, subject to fair wear and tear. The Thrifty Fair Wear and Tear Guide can be found online at [www.thrifty.co.nz/fwt](http://www.thrifty.co.nz/fwt). Please see the **Damage and Loss** section on page 6 to understand your responsibility for damage and loss to the vehicle and **Annexure 2 (Damage Policy)** on page 9 to understand how we will process damage caused during your rental.

- **Fuel:** We provide the following options:
- **Purchase a full tank at the start...**

  - You will not need to refill the tank before returning and will have nothing more to pay for fuel. Any unused fuel is non-refundable.
- **Return with a full tank...**
  - Return the vehicle with a full tank of fuel purchased from a local fuel station.

### Important

Fuel gauges may still indicate "full" many kilometres after it was last re-filled. We ask you refill the vehicle within 15 km of the return location. We reserve the right to apply a small charge if it is subsequently found additional fuel is needed although the gauge shows as full – please ask at the counter for details.

- **Return without refuelling**
  - We charge you a price per litre to refill the tank for our service of re-fuelling for you. These prices are indicated on your Rental Agreement.

Thrifty is not responsible for any fines, injury, death or other losses caused by not having child seats fitted or by children not being restrained in the supplied child seats.

### Important

You must comply with mandated seat belt and child seat restraint laws applicable in New Zealand. Child seat restraint laws apply to all children 7 years of age and younger. Fines may be imposed by police on any occupant not wearing a seat belt or who has not fitted or properly adjusted a child seat restraint. You are responsible for the child seat in the vehicle. Never leave a child unattended in the vehicle.

## Electric Vehicle:

- Our electric vehicles have a standard battery capacity and range, however the performance of that battery depends on the conditions under which it is operated. Thrifty will not be liable or responsible for any shortfall of the battery capacity or range.
- The battery charging limit on your rental should be set at 90% maximum and it is advised that this limit should only be increased to 100% in critical circumstances, as charging the battery to 100% can lead to significant battery degradation.
- Our electric vehicles come with 2 cables, it is important to look after both cables and ensure it is returned with the vehicle.
- The cost for replacement cables is usually around \$500 each and this will not be covered by insurance.

## Prohibited Use

- You must not use or allow the vehicle to be used in a manner constituting a Prohibited Use.
- If a Prohibited Use causes, or contributes to, loss or damage to the vehicle, you are liable to us for that loss or damage up to the full value of the vehicle and related losses and fees including 3rd party damage as explained in the **Damage and Loss** section on page 6.
- It is agreed between you and Thrifty that section 11 of the Insurance Law Reform Act 1977 shall apply with respect to Prohibited Uses as if this provision constituted a contract of insurance.

If a person refuses or fails to provide a breath, blood or other sample when lawfully required to do so by police or as required by law, the driver is deemed to be over the legal limit (for the avoidance of doubt this includes operating the vehicle or allowing it to be operated in circumstances that constitute an offence against sections 56, 57, 57AA, 57A, or 58 of the Land Transport Act 1998);
- fitting of objects to the interior or exterior of the vehicle not authorised by Thrifty;

- the vehicle is used on a racetrack or for racing or undertaking reliability trials, rallies or other contests;

- the vehicle is used for hauling any goods incorrectly or inappropriately loaded or for the haulage of which the vehicle was not designed (including any hazardous materials, such as any gases or substances which may form explosive mixtures);
- the vehicle is used for towing a trailer or any other vehicle, unless the vehicle has a towbar fitted by Thrifty, in which case you have permission from Thrifty to tow a trailer provided the weight and dimensions of the item being towed do not exceed the specified capacity of the vehicle (refer to the vehicle capacity guide in the following link);

- driving or allowing the vehicle to be driven by any person, if at the time of driving, the driver is not the holder of a current driver licence appropriate for the vehicle.

### Important

#### Vehicle cleanliness:

You may incur a Cleaning Fee if the vehicle is returned in an excessively dirty condition or with excessive odour including but not limited to:

- the smell of tobacco from smoking in the vehicle - smoking in the vehicle is not allowed;
- dirtiness or smell caused by having animals in the vehicle excluding disability assist dogs; or
- excessive dirt or mud on the exterior of the vehicle.

### Important

#### Snow regions:

- There are special restrictions that apply when driving a Thrifty vehicle in an alpine region or in the snow. If these restrictions are not complied with you may be responsible for any and all damage arising from the use of the vehicle in an alpine region or in the snow and the Minimum Cover or Thrifty Cover Options purchased will not be applicable. If you are planning to travel to an alpine region or in the snow please check with your Thrifty location that the vehicle is fit for purpose and whether snow chains are required.
- You must ensure that you comply with any legal requirements relating to the fitment of snow chains and that you fit snow chains correctly. Failure to do so will be considered to constitute a Prohibited Use and you will be fully liable for any resulting damage.   - the loss or damage is directly due to our negligence or wilful default including our failure to properly maintain the vehicle; or
  - the damage or loss was caused by a third party and you comply with your obligations specified under **Accidents** on page 5 so we have sufficient details about the third party and/or their insurer. We may charge you the applicable excess per incident and once the actual cost of the loss or damage is determined and/or recovered, we will refund you any difference owed.

### Incident damages

If the vehicle is lost, stolen or damaged, for each incident (provided a Prohibited Use event has not occurred) you are responsible for:

- loss of rental income; and
- other losses or expenses related to the incident;
- Thrifty Claims Management Fee and/or External Damage Assessment Fee up to the Basic Protection (BP) amount per incident.

## Consequence of a Prohibited Use applying

- If a Prohibited Use applies and this caused, or contributed to, loss or damage to the vehicle, you are liable to us for that loss or damage to the vehicle up to the full value of the vehicle (and related losses and fees). You are also liable for the Incident Damages referred to above.
- Your liability to us is not limited to the Basic Protection (BP), and the Thrifty Cover Options will not apply to eliminate or reduce this liability.
- You are responsible for any third party property damage or loss arising from the application of a Prohibited Use and you must indemnify us for any claim made against Thrifty for that damage or loss. Thrifty may charge any third party property damage or loss arising from the occurrence of a Prohibited Use to your Card provided at the time of rental.
- If a Prohibited Use applies, we may terminate the Agreement and take the vehicle back at any time at your expense.

## Calculating and charging for damage

- The loss or damage will be calculated by Thrifty and will be charged to Your Card in accordance with **Annexure 2 (Damage Policy)**.

**Security:** You are responsible for securing the vehicle including accessories and should minimise risk of theft or vandalism by parking in a safe place. Always remove valuable items from sight making sure the vehicle is locked. You must also comply with our return instructions.

## Annexure 2 – Damage Policy

Your responsibility for damage is set out in the Damage and Loss section of the Rental Terms. This policy covers how we assess and charge for damage and how we deal with any disputes.

### Checking the Vehicle at Pick Up

We provide a summary of any damage on the Vehicle Condition Report (VCR) found on the Rental Agreement at the start of your rental. You must check the condition of the vehicle when you collect it and if there is any discrepancy approach a Thrifty staff member and request the Vehicle Condition Report be amended. In poor weather conditions or bad light, you can take a photograph within 60 minutes of leaving the rental location and advise Thrifty. You are also invited to take a time stamped photograph of the relevant pre-existing damage before leaving the rental location and on return of the vehicle and show a Thrifty staff member on return.

We will inspect the vehicle on your return and provide a Vehicle Incident Report (VIR) to record any new damage, which will not include any fair wear and tear.

### Key information

#### Fair wear and tear

This means "ordinary wear due to reasonable use" and includes minor scratches and chips, small dents and normal wear on tyre treads and wiper blades. Review the Definition of Damage Flyer found online at [www.thrifty.co.nz/damageflyer](http://www.thrifty.co.nz/damageflyer) or provided at the start of your rental.

At time of return you should allow time to complete the inspection of the vehicle with our staff and agree any damage. If you don't have time or you return the vehicle when the location is closed, we will inspect the vehicle within 4 hours of return or the location opening. If you took a photo of the vehicle at pick up within 60 minutes of leaving the location due to poor weather or bad light, show a Thrifty staff member.

#### Damage Assessment and Charging

There are three common scenarios:

##### i. Damage - agreed on return

- For damage agreed with you on return, we will take the relevant photos, create a Vehicle Incident Report (VIR) and organise an assessment through an independent third party.

##### ii. Damage - not agreed because you are not present or you are present but disagree with the damage identification:

- If you are not present on return, or are present but disagree with the damage identification, we inspect the vehicle within 4 hours of return or location opening and take the relevant photos of the vehicle, create a Vehicle Incident Report (VIR) and organise an assessment through an independent third party.

##### iii. Significant Damage

- If the damage is significant, we will create a Vehicle Incident Report (VIR), refer it to our damage assessors for evaluation and organise a cost assessment.

### Key information

#### Damage

We aim to deal with a damage assessment in a quick and practical way by using a 3rd party repair assessment system. The damage assessment will ensure that you are accurately charged the relevant damage cost. Although we may charge you the applicable excess, we will reimburse you if the amount of the damage cost assessment is less than this.

#### Notification and evidence of damage

We will provide you with the following documents in respect damage:

- i. a system generated letter detailing the damage to the vehicle;
- ii. photos of the damage to the vehicle (where possible);
- iii. the Rental Agreement listing the date, time and return location and any pre-existing damage;
- iv. the final tax invoice/statement of charges that includes the amount charged for damage to the vehicle and other fees and losses related to the damage;
- v. the Vehicle Incident Report (VIR); and
- vi. a damage cost assessment from a repair body shop and/or the invoice for the repairs.

#### Charging for damage and other items

We will charge your Card with the amount set out in the final tax invoice that we send to you within 60 days of the date you returned the vehicle. If we charge your Card with the applicable excess, and the amount of final invoice is less than the amount charged, we will reimburse you for the difference.

#### Loss of rental income

We may charge you for loss of rental income in the event the vehicle is damaged.

#### Damage disputes

- Damage claims are unique and resolution time frames for each claim varies as we are required to liaise with outside parties and arrange for the repair of vehicles. We will respond to you within 15 business days with an update to your claim.
- If you wish to dispute our assessment of damage, please contact the Thrifty Claims Management Team on:
  - NZ Freecall 0800 921 460
  - Email [assessments@thrifty.com](mailto:assessments@thrifty.com)

Minimum Cover and Thrifty Cover Options are underwritten by Lumley General Insurance (N.Z.) Limited (or such other insurer as Thrifty may contract with from time to time). Any person named in this Rental Agreement as a person permitted to drive the vehicle is, subject to the Basic Protection (BP) and the occurrence of a Prohibited Use:

- i. Indemnified in respect of any liability he or she might have to Thrifty for loss or damage of the vehicle and any consequential loss of revenue or other expenses of Thrifty; and
- ii. Indemnified to the extent of \$20,000,000.00 in respect of any liability he or she might have for damage to any third party's property (including any animal) arising from the use of the vehicle.

The cost of Minimum Cover is included in the rental charge and the Basic Protection (BP) is as specified in the Rental Agreement. The Basic Protection (BP) is payable for each and every incident of damage or loss caused except in the event of a Prohibited Use, or any loss or damage to keys or any accessories on hire. In the event of a Prohibited Use, you will be fully liable for any damage and other costs incurred. In the event of loss or damage to keys or any accessories on hire you will be charged the replacement cost (at current retail replacement value) of any damaged, lost or missing accessories or keys.

Examples of damage covered by Basic Protection (BP) include:

- Unavoidable natural events, such as snow, hail or rock fall.
- Fire caused by vehicle defect, including electrical fault, or from adjacent fire or explosion, criminal or terrorism acts.

### Provision of Own Insurance

You may make your own insurance arrangements, provided these are approved in writing by Thrifty not less than 14 days prior to pick up of the vehicle. If Thrifty or its insurer is not satisfied that your insurance cover is reasonably comparable with the Minimum Cover, Thrifty may decline to hire the vehicle.

If you elect to use your own insurance and this is approved by Thrifty, then you are liable up to the full value of the vehicle and related losses and fees including third party damage and losses as set out in this Agreement. You accept that any limitations on liability set out in this Agreement will not apply. You will be solely responsible for any losses, costs and damages associated with the rental of the vehicle.

### Thrifty Cover Options

The purchase of a Thrifty Cover Option may reduce your liability for loss or damage to the vehicle.

The Thrifty Cover Options do not provide protection in the event of loss or damage arising from a Prohibited Use or for loss or damage to keys or any accessories on hire.
