eMedication Management Conference

Monday 29 March 2021

DAY 1

9:00 **OPENING** | Opening remarks from the Chair

Kate Richardson, *Clinical Applications Specialist - MedChart, Healthscope*

9:10 **OPENING ADDRESS** | Celebrating the last 10 years of eMedication Management & eMR in Australia

From the early implementation stages in NSW & Victoria to unit dose barcoding and My Health Record to the acceleration caused by COVID-19. This session will be addressed by Maryanne Molenaar who has attended all 10 editions of the eMedication Management Conference. Maryanne will review the past decade of eMM & eMR, the barriers that we have overcome and ultimately how far we have come within eMedication within Australia.

Maryanne Molenaar, *Informatics Pharmacist, Eastern Health*

9:40 **CASE STUDY** | First in the State: eMeds in Hospital in the Home

A/Prof Naren Gunja, *CMIO & eMeds Clinical Lead, Western Sydney Health*

Liz Ellankil, *eMeds Manager, Western Sydney Health LHD*

10:10 **IN CONVERSATION** | Medication Management in the Aged Care Sector: Creating a unified system whilst remembering patient-centred care is at the heart of our profession

Dr Juanita Breen, *Consultant Pharmacist, Aged Care Quality Safety Commission (ACQSC)*

Gabrielle Prest, *National Clinical Systems Project Manager, Opal Health Care*

A/Prof Morton Rawlin, *Medical Director, Royal Flying Doctor Service, RACGP*

Moderated by Kate Richardson, *Clinical Applications Specialist - MedChart, Healthscope*

10:50 Morning Tea

11:20 **KEYNOTE ADDRESS** | The fast track implementation of ePrescribing

Andrew Matthews, *Director, Medicines Safety Program - Strategic Programs & Workplan Development, ADHA*

11:50 **RTPM - a national RTPM system**

- What is the national RTPM system and why are we rolling it out?
- What does the implementation look like?
- What are the benefits and how will these be achieved?

Rowena Sierant, *Director, Electronic Medication Management Section, Pharmaceutical Policy Branch, Pharmaceutical Benefits Division, Department of Health*

12:20 **A COVID Silver Lining: Telehealth and ePrescribing in outpatient clinics**

A/Prof Michael Franco, *Chief Medical Information Officer, Monash Health*

12:50 Lunch break

13:50 **PANEL** | Identifying & classifying medication errors

- How do we create a safe environment?
- What's the road map to achieve this? What are the barriers?
- How do we build medication chart standardisation into EMMs?
- Patient stories - what happens when something goes wrong

A/Prof Reema Harrison, *Centre for Health Systems and Safety at the Australian Institute of Health Innovation, Macquarie University*

Nancy Stringer, *Director & Principal Consultant, Brandwood CKC*

Dawn Astles, *Senior Project Officer, Australian Commission on Safety and Quality in Health Care*

Moderated by Chirag Lodhia, *Digital Health Principal Trainer, Monash Health*

14:30 **PANEL** | A practical guide to closing the loop

- What are the barriers into progressing?
- What can we do to overcome those barriers?
- Recommendations, suggestions, advice on providing a reachable approach
- Do we really need to put in automation to close the loop?

Jarrold Yip, *Deputy Chief Pharmacy Information Officer, Alfred Health*

David Luo, *Pharmacy Lead - CLMM, The Sydney Children's Hospitals Network*

Michael Bakker, *Electronic Medication Management & Pharmacy Automation Lead, SA Pharmacy*

Moderated by Kate Richardson, *Clinical Applications Specialist - MedChart, Healthscope*

15:15 Afternoon Tea

15:45 **State of the Nation: projects completed in 2020**

This session will provide a glimpse into what each state and territory has undertaken project-wise in 2020. Each speaker will be given up to 10 minutes to very succinctly present 2-3 projects that have been completed in 2020 of which other states and jurisdictions may be able to learn from any issues that they have faced.

Melissa Fodera, *Senior EMR Pharmacist (Analyst), EMR Services Unit, Austin Health, VIC*

Mitchell Arthur, *Acting Senior Pharmacist: Information Management, Statewide Hospital Pharmacy, Royal Hobart Hospital, TAS*

Chris Hopps, *Chief Pharmacist, WA EMR Leadership Group, Perth Children's Hospital, WA*

James Grant, *Clinical Informatics Lead, Office of the Chief Clinical Information Officer, Clinical Excellence Queensland*

Andy Sobey, *Electronic Medication Systems Pharmacist, Canberra Health Services, ACT*

Sophie Boland, *Pharmacist Subject Matter Expert, Department of Corporate and Digital Development, NT*

Michael Bakker, *Electronic Medication Management & Pharmacy Automation Lead, SA Pharmacy*

Aiden Shi, *Acting Design Manager, eHealth NSW*

17:45 **CLOSING** | Closing remarks from the Chair

17:50 Networking

HEALTH BOX

Health Box is a video-on-demand service providing a deeper dive on key topics, themes and questions relating to health and life sciences events in Australia and APAC.

We know you can't always attend all our events, but we also know you like to get a feel for some of the key topics, themes and messages from events. Health Box offers a taste of what is on offer at our flagship conferences so you can make an informed choice on joining our events.

Each Health Box episode is different and each month we release a new episodes on different topics.

Have a message, project or idea to share? Connect with us ahead of our upcoming episodes to learn how you can get involved or we can work with you to create a new episode. Let us take care of you!

eMedication Management Conference

Tuesday 30 March 2021

DAY 2

9:00 **OPENING** | Opening remarks from the Chair

Louis Cheung, *EMR Senior Analyst, eMM Team Lead, South Eastern Sydney Local Health District*

9:10 **CASE STUDY** | COVID and Complex Infusions

Going live could be argued as challenging enough, the team at the Northern Beaches Hospital went live with MedChart within 11 days mid-pandemic. Kate and Tricia will address the challenges that they faced going live, the things that worked well as well as the lessons learnt.

This session will also showcase their work on implementing complex infusions and enteral feeds into an eMM.

Kate Richardson, *Clinical Applications Specialist, Healthscope*

Tricia Liebke, *Former Director Digital Health, Healthscope, Clinical Information Systems Lead, Ramsay Health*

9:45 **IN CONVERSATION** | eMR data analytics and patient outcomes

- What data can you use? Which data are you reviewing?
- How do you display the data? How should it be reported?
- How does this feedback and how does this provide or limit practices?
- Was there an order created and/or forecasting?
- How are we measuring clinical indicators with an EMR?
- What can we measure to determine how well an EMR is being utilised?

James Grant, *Clinical Informatics Lead, Office of the Chief Clinical Information Officer, Clinical Excellence Queensland*

Jarrod Yip, *Deputy Chief Pharmacy Information Officer, Alfred Health*

Moderated by Louis Cheung, *EMR Senior Analyst, eMM Team Lead, South Eastern Sydney Local Health District*

10:25 **How to make advances in a Pandemic and lessons learnt**

Roll out strategies, theatre, collection, advances in ADCs and user feedback from multiple sites.

Peter Blewitt, *HS8 Product Manager, Modeus*

10:50 **Stretch & Networking break**

11:20 **No more alerts! How do we move away from using computerised alerts in eMM systems?**

- What do we know about alerts? Quick recap on Australian evidence
- How do you decide what alerts to remove? Learnings from the international literature
- Is evidence enough to drive alert decisions? Prelim results from an interview study

A/Prof Melissa Baysari, *Associate Professor in Digital Health, University of Sydney*

11:55 **IN CONVERSATION** | Traceability: tools & advances in supply chain management

Matthew Tuk, *General Manager, SA Health*

Moderated by Cath Koetz, *Healthcare Industry Manager, GS1*

12:40 **CASE STUDY** | Getting the workflow right in Oncology

Rosemary Burke, *District Director of Pharmacy & CPIO, Sydney LHD*

13:10 **Lunch break**

14:10 **Do we really need to put in automation to close the loop? Inside Perth Children's Hospital**

Jess Hosking, *Senior Pharmacist - Electronic Medication Management, Perth Children's Hospital*

14:40 **IN CONVERSATION** | Governance & standardisation of workflows - the importance of nursing leadership driving safety and quality in eMed administration processes

- Nurses give almost all of the medications in a hospital- this is an important part of their professional activities!!!
- Peer to peer interactions to achieve best outcomes
- The need for senior nurses to develop appropriate policies for electronic medication administration systems
- Audit and quality requirements / dashboards etc
- Complexity of delivering change

David Harper, *Nurse Manager, The Children's Hospital at Westmead*

Peter Barclay, *Director of Pharmacy, The Children's Hospital at Westmead*

15:15 **CLOSING** | Closing remarks from the Chair: the next 10 years of eMeds in Australia

15:25 **End of Event**

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Don't miss this opportunity to put your organisation at the forefront to support the industry at this critical time. A range of digital sponsorship opportunities are available.

Benefits include:

- Showcase your company's services & offerings with track-able insights
- Multiple opportunities to connect with the people who matter
- Digital platform provides a larger geographical audience
- Increased branding opportunities with greater transparency

For further information, please contact:

Danielle Newman, Sponsorship Manager

Phone: (+61) 2 9080 4432
