

PRESENTING THE

AI in Healthcare Readiness Forum

Practical applications of AI in clinical care

25 October 2023 | Ivy Sunroom, Sydney

SPEAKERS INCLUDE:

Professor Steve Robson, *President, AMA*

Dr Simon Kos, *Chief Medical Officer, Microsoft ANZ*

Dana Mouwad, *Manager Strategic Partnership & Programs / Director of the Health Literacy Hub, Western Sydney LHD*

Nathan Moore, *Chief Nursing Information Officer, Western Sydney LHD*

Professor Farah Magrabi, *Professor of Biomedical and Health Informatics, Australian Institute of Health Innovation*

Dr Michelle Barakat-Johnson, *Skin Integrity Lead, Sydney Local Health District*

Dr Kean Kuan, *Chief Medical Officer, Victorian Institute of Forensic Medicine*

Dr Emily Kirkpatrick, *Executive Medical Director, Calvary Medibank Joint Venture*

Phil O'Sullivan, *Partner, Allens*

Val Theisz, *Medical Devices – Regulatory & Quality Consultant, Market Access*

Angie Corbo, *Global Informatics Innovation Lead, Roche*

Associate Professor Tam C. Nguyen, *Deputy Director Research, St Vincent's Hospital Melbourne*

Mazeta Coelho Hamilton, *Manager, Health Service Research, Analysis & Modelling Unit, Queensland Government*

Melissa Tinsley, *Associate Director, Integrated Digital Enablement Accelerator (IDEA) team, Agency for Clinical Innovation*

Jacky Hung, *REDCap Application Manager, Queensland Health, Office of Research and Innovation*

Dr Anthony Porter, *Specialist Plastic Surgeon, Adelaide Plastic Surgery, Visiting Research Fellow, AIML, Royal Adelaide Hospital*

Todd Tobin, *Virtual Care, Calvary Care*

Professor Ian Scott, *Director of Internal Medicine and Clinical Epidemiology, Princess Alexandra Hospital*

Mitchell Burger, *Director of Strategy, Architecture, Innovation and Research, Sydney LHD*

Dr Andrew Hallahan, *Executive Director Medical Services, Clinical Governance & Risk, Sydney Local Health District*

AI in Healthcare Readiness Forum

Wednesday 25 October 2023

9:00 Opening remarks from the Chair

Associate Professor Tam C. Nguyen, *Deputy Director Research, St Vincent's Hospital Melbourne*

9:10 OPENING ADDRESS

What is possible? The real-life application of AI within Clinical Settings

Dr Simon Kos, *Chief Medical Officer, Microsoft ANZ*

9:25 PANEL

Good clinical governance: why this is critical when deploying an AI algorithm?

- Where do accountabilities lie?
- Who will be overseeing that technology?
- Clinicians who will increasingly rely on these technologies- they will need to be able to assure that the info that goes into their decision making is safe
- What are the key guardrails that standards can bring?
- How can clinical governance teams incorporate AI into clinical workflows if not TGA supported?

Dr Kean Kuan, *Chief Medical Officer, Victorian Institute of Forensic Medicine*

Dr Emily Kirkpatrick, *Executive Medical Director, Calvary Medibank Joint Venture*

Phil O'Sullivan, *Partner, Allens*

Angie Corbo, *Global Informatics Innovation Lead, Roche*

10:15 Current Regulatory Approach to AI

- How is healthcare AI/ML regulated?
- Who is responsible when things go wrong with AI/ML used in healthcare?

Val Theisz, *Medical Devices – Regulatory & Quality Consultant, Market Access*

10:45 Networking Break & Morning Tea

11:15 KEYNOTE ADDRESS

Improving healthcare for Australians from the coalface up

- Coalface healthcare from a doctors' perspective
- How can AI help and what is safe and responsible use of AI in health?
- Who's to blame when it goes wrong?
- Potential of AI to reduce or exacerbate inequities in access to healthcare
- Why do we need a regulatory approach? What does the AMA think it would achieve?

Professor Steve Robson, *President, AMA*

11:45 Software Spotlight Session

VENUE DETAILS

Ivy Sunroom, Sydney, 330 George St, Sydney NSW 2000

Phone: +61 2 9114 7360

12:05 PANEL

Patient Safety: the good, the bad, and the important considerations of AI

- Decision support and how you measure and calculate
- Best use cases and where is it not the right tool for the job?
- Successful case studies, and signals to look out for to ensure patient safety

Dana Mouwad, *Manager Strategic Partnership & Programs / Director of the Health Literacy Hub, Western Sydney LHD*

Nathan Moore, *Chief Nursing Information Officer, Western Sydney LHD*

Professor Farah Magrabi, *Professor of Biomedical and Health Informatics, Australian Institute of Health Innovation*

Dr Michelle Barakat-Johnson, *Skin Integrity Lead, Sydney Local Health District*

Moderated by Dr Andrew Hallahan, *Executive Director Medical Services, Clinical Governance & Risk, Sydney Local Health District*

12:50 Networking Lunch

13:50 IN CONVERSATION

Good data governance = successful integration of AI

- Recognizing and managing the gaps in the data in order for the AI to do its work
- Ensuring the data is fit for purpose & the importance of clean data to feed into the AI
- AI and real time data – how hard/easy is it to deploy in this scenario?
- Privacy and data protection

Mazeta Coelho Hamilton, *Manager, Health Service Research, Analysis & Modelling Unit, Queensland Government*

Phil O'Sullivan, *Partner, Allens*

Melissa Tinsley, *Associate Director, Integrated Digital Enablement Accelerator (IDEA) team, Agency for Clinical Innovation*

Moderated by Marc Pelusi, *Director Service Delivery, End User Computing, Web and Application Development, Sydney Local Health District*

14:35 CASE STUDY

Pick your player AI or Human

- AI developed to assess likelihood of pre-term babies developing retinopathy of prematurity (ROP)
- Could AI be used to shorten this time frame AND/OR Refer cases that may need further investigation (low threshold) to the Specialist for review?
- Regulatory barriers to implementation
- Clinical barriers to implementation

Jacky Hung, *REDCap Application Manager, Queensland Health, Office of Research and Innovation*

15:05 Afternoon Tea & Networking Break

AI in Healthcare Readiness Forum

Wednesday 25 October 2023

15:35 PANEL

Prepping your roadmap: building the basis to transform care

- Challenges of implementing and scaling the use of AI
- What are the right tools in your “kit”?
- Learnings from successes, challenges and learnings from failures, future directions

Dr Anthony Porter, *Specialist Plastic Surgeon, Adelaide Plastic Surgery, Visiting Research Fellow, AIML, Royal Adelaide Hospital*

Todd Tobin, *Virtual Care, Calvary Care*

Moderated by Associate Professor Tam C. Nguyen, *Deputy Director Research, St Vincent's Hospital Melbourne*

16:15 PANEL

Creating a workforce for the future: digital first

- How do we best develop and leverage the highly specialised workforce?
- Developing in-house capability for a specialized technical workforce
- Digital health workforce strategy

Professor Ian Scott, *Director of Internal Medicine and Clinical Epidemiology, Princess Alexandra Hospital*

Dr Emily Kirkpatrick, *Executive Medical Director, Calvary Medibank Joint Venture*

Mitchell Burger, *Director of Strategy, Architecture, Innovation and Research, Sydney LHD*

Moderated by Associate Professor Tam C. Nguyen, *Deputy Director Research, St Vincent's Hospital Melbourne*

17:00 Closing remarks from Chair

17:05 Networking Drinks 

18:10 Forum Concludes

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

Don't miss this opportunity to get involved early in this year's AI in Healthcare Readiness Summit.

Sponsorship or exhibiting will allow your organization to:

- Build relationships with potential & existing clients
- Network with the industry
- Generate leads from a targeted audience
- Demonstrate your product/service in person
- Build brand awareness

To see what we have available please contact:

Danielle Newman, Sponsorship Manager on (+61) 2 9080 4318 or email: Danielle.Newman@informa.com

On demand
video hosted on:

STREAMLY: Ideas and conversations that matter, from voices you can trust
