

Australian Gas Turbines Conference

28 – 29 November 2018 | Novotel Perth Langley

NOV

Australian Gas Turbines Conference 28-29 November 2018 | Novotel Perth Langley

Supported by the Gas Turbine Users Forum (GTUF), the 19th Annual [Australian Gas Turbines Conference](#) will be held on **28-29 November 2018** at the Novotel Perth Langley.

The premier meeting place for Australia's gas turbine industry, the two-day conference attracts the nation's top operators, experts and technology providers to examine and discuss important case studies and industry best practice.

Speakers include:

- Ashwin Shinde, Mechanical Maintenance Engineer, **Origin Energy**
- Dr. Gary Bryant, General Manager Asset Strategy, **Alinta Energy**
- Frank Larobina, Technical Compliance Specialist Projects, **Siemens**
- Peter G. Brighton, Australasian Manager GTS, **Donaldson Australasia Pty Ltd**
- Chris White, Technical Authority, Rotating Equipment Reliability, **Wood Group**
- Martin Howarth, Managing Director, **Rochem Technical Services Europe**
- **And many more...**
