We are delighted to return to a face-to-face format for AusRAIL PLUS – the most anticipated event on the rail industry calendar.

Our world has changed since we were last together in person in 2019 and so has the way we all do business. Rail kept Australia moving, despite the challenges of border closures and increased demands on our supply chain. We have faced the challenges with tenacity and come AusRAIL plus there will be much to celebrate.

I have no doubt AusRAIL PLUS will be an event to remember, providing the first opportunity for many of us to come together since 2019. With a wide range of social events on offer as part of the program, this is a not-to-be missed opportunity to reconnect with industry colleagues.

We have been working hard behind the scenes to deliver outstanding content so that you can make the most of your AusRAIL PLUS experience in Sydney. Our three-day event features an extensive program developed following member feedback and includes valuable panel discussions with key rail decision-makers.

AusRAIL PLUS gives the entire industry – from stakeholders to suppliers – a chance to network, collaborate and trade. There has been strong demand for exhibition space as the industry prepares to share its innovations and achievements. I look forward to seeing the latest technology showcased at the event.

I encourage you to join us at AusRAIL PLUS!

Yours sincerely,

Caroline Wilkie
Chief Executive Officer,
Australasian Railway Association

Isabel Dedring, Global Transport Leader, Arup
International Keynote | Transport superstar: How rail can pivot to drive COVID-19 recovery and a transition to net zero.
Appointed to the UK Prime Minister’s Build Back Better Council, Isabel joins us to discuss how rail can catalyse a green COVID-19 economic recovery and future growth. Prior to Arup, she was Deputy Mayor for Transport and Deputy Chair of Transport for London where she delivered projects including the Tube Reliability Programme which led to a 40% reduction in delays.

Saul Eslake, Economist
As the ANZ’s chief ‘number-cruncher’ for nearly 14 years and with over 25 years as an economist in Australian financial markets, Saul Eslake has a knack for explaining economics in terms mere mortals can understand. Saul will provide an economic overview and forecast of future trends impacting industry.

Kitty Chiller AM
Winner of the 2020 International Olympic Committee Women in Sport Award for Oceania, Kitty Chiller AM became Australia’s first ever female Chef de Mission at the 2016 Summer Olympics. Since retiring, Kitty has reinvigorated the culture of Australia’s Olympic Team with authenticity, strength and an enormous personal drive. She joins us to share her insights and important take-home messages about leadership, diversity, change management and delivering cultural change.

Orange Sky Australia
Orange Sky Australia is the world’s first free mobile laundry service for people experiencing homelessness – an idea founded in a Brisbane garage by two 20-year-old mates. This idea has since evolved into something much bigger and more powerful. Nick Marchesi OAM and Lucas Patchett OAM join us to share their journey on creating a safe, welcoming, and supportive environment for people who feel disconnected from the community.

Claire Hooper, MC – RTAA Yellow Dinner
The highly anticipated RTAA Yellow Dinner is a unique social gathering that is always a highlight of AusRAIL PLUS. We are delighted to have Claire Hooper accept the challenge of captivating the audience during the industry’s largest talkfest. Claire has been a regular on your screens in recent years and will bring her engaging and wonderfully inventive skills to the RTAA Yellow Dinner stage.

Shane Jacobson, MC – Gala Dinner
One of Australia’s most loved, award-winning actors, presenters and entertainers Shane Jacobson will host this year’s Gala Dinner, marking the perfect ending to a week of networking, deal making and strategic planning. Shane will share funny and memorable stories from his extraordinary life at the Gala Dinner, where we will also reveal the winner of the Young Rail Professionals Pitching Competition.

Join the largest rail industry event in the southern hemisphere.
Take advantage of the many benefits of AusRAIL PLUS by becoming a sponsor, exhibitor or delegate.

- Hear the latest news and developments from industry leaders and decision makers
- Network with industry peers at our social events and gala dinner
- Take advantage of plenary sessions and specialist streams to tailor your AusRAIL experience
- Identify new opportunities by building your professional network
- Take part in the exhibition to support your business development
- Find new ideas and innovation to take back to your team
