## Northern Territory Resources Week 2025

Dear Exhibitor,

Fusion Exhibitions are your specialised contractors for the Northern Territory Resources Week held at Darwin Convention Centre in September 2025.

### Included in your booth:

#### 3m x 2m Octanorm Booth

- 2.4m high octanorm walls
- 1 x Fascia board (for company signage, up to 30 characters) 2 for corner booths
- 2 x 150w spotlights
- 1 x 4amp power board (4 outlets)
  - o *Suitable for TV's, laptops and charging of mobile devices only*

*\*Please note that walls are NOT velcro compatible.*

### Octanorm Display Panel – Do's & Don'ts

Any damage or staining caused to display panels will be charged directly to the exhibitor at the discretion of Fusion Exhibition & Hire Services. Please also note that if Velcro strips are left on the booth walls at the close of the exhibitor bump out, cleaning costs will be charged directly to the exhibitor.

#### Acceptable types of fixings:

UHU tac white putty (white tac), 3M Command picture hanging strips, hook & chain (all available from Fusion)

#### Unacceptable forms of fixings:

Pins, staples, screws, nails, bolts, Velcro, paint or double-sided adhesive tape (Please note that a charge will be invoiced to exhibitors for any wall panel damage)

### Signage - Fascia

Each octanorm booth comes with a 'Standard Fascia' which consists of black text on white board (up to 30 characters). All fascia's are printed in capital letters with the booth number placed on the far-left hand side.

If your fascia order is not received by **Monday 11<sup>th</sup> August**, Fusion will automatically use the company name provided by the organiser and this will be printed as a 'Standard Fascia'.

Options are available to upgrade your fascia to include company logos and full digital prints.

### Equipment & Furniture

If you require additional equipment or furniture for your booth, please see below the link to our current hire catalogue for your perusal.

We are always happy to help in any way we can, should you require further details or need some assistance with your order, please feel free to contact me directly on 08 8947 1990 or email me at [events@fusionexhibitions.com.au](mailto:events@fusionexhibitions.com.au)

### Power

Each exhibitor booth comes one 4-amp power outlet and a four-way power board. This power board will support TV's laptops and charging of mobile devices only.

If you require any additional power for larger equipment, please order additional power via the Exhibitor Service Centre (ESC) link provided just above.

If you are unsure of how much power you require, power usage amounts can usually be found near the power plug on most power cords. If you are still unsure, please feel free to contact us directly and we will be able to determine how much power you require.

There is limited power available at the venue, and additional power may not be available if ordered during exhibitor bump in. If you have underestimated the amount of power required for your stand and as a result the power is tripped, you may be asked to remove your equipment from the exhibition hall. Additional fees may apply in order to rectify the problem.

### Stand Upgrades

Make your booth stand out by choosing one of the many 'Stand Upgrade Packages' outlined at the front of our Fusion Catalogue. Alternatively, brand your booth with highly effective digitally printed panels as outlined in the attached Fusion Catalogue, please see page 8 for further details.

If you are planning on utilising an existing custom-built display, please feel free to pass on our details to your custom stand company and we will be more than happy to provide a quote for labour to assist with the build.

### Deadline

All orders for furniture, equipment, audio visual and fascia requirements, must be received by us no later than **Monday 11th August**. Late fees will apply post the deadline.

Should you have any queries, or require further assistance with your exhibition booth, please feel free to contact me directly.

Best Regards,

**Kathryn Paterson** | Senior Exhibition & Events Coordinator
