Salesian College Chadstone Enrolment Policy

Rationale

Salesian College Chadstone (SCC) was established by the Salesians of Don Bosco to provide Catholic secondary education for boys in the eastern suburbs of Melbourne. SCC is a catholic school that embraces all boys and their families who are committed to living out the values espoused in the Gospel of Jesus Christ and who make a commitment to respect the Catholic philosophy and expectations of the College.

Enrolment Policy

SCC abides by an inclusive and open enrolment policy following the criteria set out by the Catholic Education Melbourne Office (CEM), making available places to any boy who seeks enrolment and is prepared to commit themselves to respecting the Catholic nature of the school, its expectations and educational goals.

Guidelines

The College welcomes all applications and interviews all applicants. When the number of applications exceeds the number of places that can be made available, the College follows the guidelines as set out by the CEM. Preference for enrolment will always be given to Catholic students in our priority parishes (listed below). Remaining places will then be allocated using the priority parish boundaries, and the criteria for enrolment (listed below) as stated by the CEM.

SCC welcomes all students and no student will be denied enrolment on the basis of an inability to participate in the full school program. The College makes every effort within its resources to provide the facilities and services to cater for the individual needs of every boy enrolled at the College.

No Catholic student will be excluded
