A view painted by Nature.

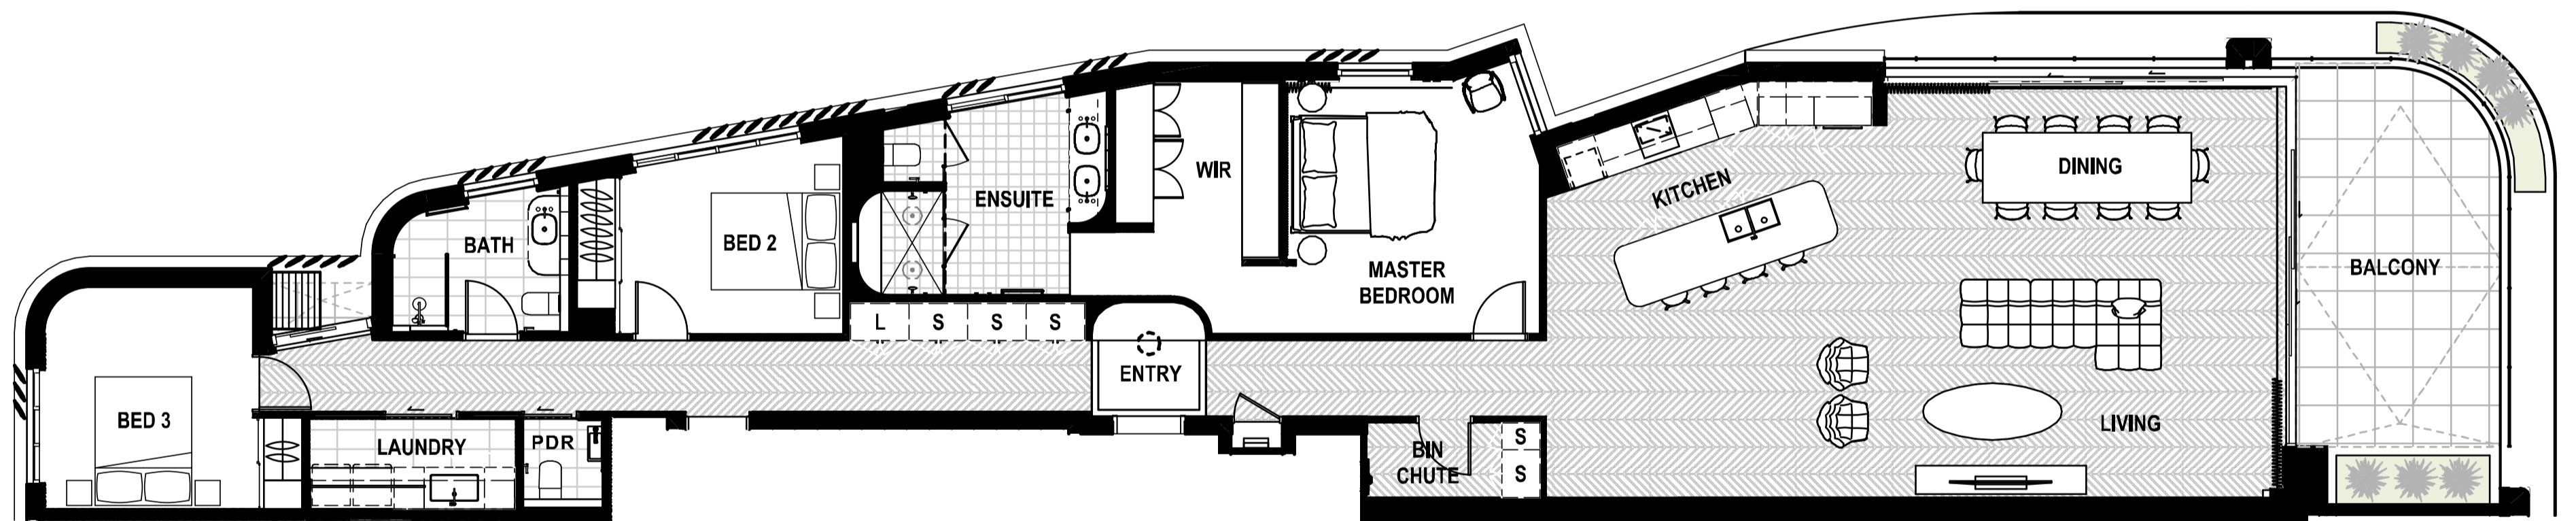

High above the Maroochy River, surrounded by green parkland and ever shifting tidal sand bars, you will find Nature: a sculptural and expansive new project of thirteen uncompromised residences.

Design by Nature.

Nature refers to the organic form of the building design but also the incorporation of lush greenery wrapping every available space. Most certainly inspired by Nature.

This exclusive and boutique collection of luxury apartments offers breathtaking views that elevate the concept of medium-rise living.

Internal 197m²
Terrace 23m²

Welcome to Nature's Playground.

Nature's ground floor is an experiential precinct to replenish the senses. A tranquil hub of calm and serenity set beneath a stunning sculptural undercroft.

A welcoming sanctuary and a distinctive Sunshine Coast home.

Fully equipped gym
Private steam room
Timber sauna
23-metre lap pool

Yoga lawn
Secluded alfresco dining areas
Stunning private formal dining room
Secure entry

The ground floor is a showpiece – designed to echo a luxury resort feel whilst maintaining exclusivity in numbers.
