

Family Fun Day – 2nd of December 2023 – Recap

On the 2nd of December The Y ran a Family Fun Day for Defence Families. We had 18 families in total.

We started the day with Family Bingo where families had to work together finding other families that matched the description on their Bingo list.

We then tested our Mini Golf skills at Shanx Mini Golf with an hour and a half of unlimited mini golf. There was both a beginner and an advanced course to choose from. Families also enjoyed some chocolate, snacks and coloring in. The Shanx Team then challenged the families to a hole in one contest. Before we knew, it was time to head to our next destination, The Parks.

At The Parks, families had the option to take on the challenge of the Aqua Inflatable obstacle or hang out in the pool with the small inflatables. It was great to see the kids challenge themselves on the obstacle course.

We then finished the day with some Sunshine Iceblocks before saying our final goodbyes.
