	Category of Policy: Operational	Approval Date: 12/07/2023 Policy Approver: Head of Children's Services
Policy Title: Dealing with Infectious Diseases Policy		Author: YMCA's of Australia

1. Purpose

To ensure infection control procedures have been developed to reduce the transmission of infections and subsequent illnesses, by adopting practices which minimise the risk to both educators and participants attending YMCA services or programs. All educators, volunteers, participants, families and guardians need to work together to take precautions which minimise the risk to all parties, and to help stop the spread of infections and diseases.

2. Scope

The scope of this Policy applies to all Board members, Sub Committee members, educators and volunteers. This Policy applies to all YMCA Member Associations. For the purposes of this document, we refer to these as the YMCA. All Policies and Procedures must conform to this Policy.

3. Policy Statement

The approved provider must take reasonable steps to prevent the spread of infectious diseases at the service, and ensure that the parent/guardian, authorised nominee or emergency contact of each child enrolled at the service is notified of the occurrence of an infectious disease as soon as possible. The service will adhere to its policies and procedures in place for dealing with infectious disease (Regulation 88). The Service has a duty of care to ensure that everyone attending the service is provided with a high level of protection during the hours that the service is in operation.
