Step 1. Class Self-Assessment

- a. Find the class best suited to your child. Your child's age, skills and experience in the water will be considered in the Self-Assessment tool. Answer each question, then select Next to move to the following question.

Step 1 – Class Self Assessment

This short questionnaire is designed to help you find the best suited swim lesson class to enrol into - responses are not recorded/collected.

What age bracket is the student?

- ☐ 6 months – 3 years (Infant / Toddler Classes)
- ☐ 3 years – 5 years (Preschool Classes)
- ☐ 5 years + (School Age Classes)

- b. Once you have completed the assessment, a recommended class will then be revealed with a link to browse the Timetable.

Based on your responses, we recommend:

Tadpole

- Push & glide with bubbles
- Independent submersion with bubbles
- Aided jump & return to edge
- Extended arm paddle
- Aided kick on front & back
- Aided treading water
- Torpedo 3m

Age Range 3 - 5 years

Class Size 4:1

FAQ

Q1. My iPhone/ iPad is not displaying classes correctly.

While it is possible to book into lessons on your mobile device, the process is not yet 'mobile friendly'. Please use a desktop computer or enrol in person at the centre.

Q2. I can't login to the Customer Portal

Please use your registered email addressed for the 'Username' field. This is the email address you entered when registering an account online or the email address you supplied in-person at the centre. If you registered online, use the default password noted on the sign-in screen. If you still have issues, and have tried to reset your password with no luck, please call the centre.

Please note, there is a known issue with previous version of Apple's iOS. If you are experiencing difficulty logging into the customer portal on your Apple device running iOS, please update to the latest version of iOS, or use an alternative browser (ie. Chrome).

Q3. After registering an account I've been directed to a sign-in screen.

Correct, after registering an online account you will be directed to login to the Customer Portal. The actual Swimming Lesson booking must be completed from within the Customer Portal.

Q4. I enrolled in swim lessons but I haven't received a confirmation email?

Check to make sure the email address you provided is correct. If so, check the junk email folder. If you are still having issues, contact your local centre who will be able to provide you a copy of these details.

Q5. I have just enrolled, what's next?

Get Started! An email will be sent confirming the booking and the following next steps:

- Please arrive 15 minutes before your class and report to Customer Service to collect your welcome pack and scan card.
- We recommend bringing your child in their bathers ready to swim and bring a towel.
- If your child wears goggles please feel free to bring them along. Parents must be in the water for all Infant Classes (under 3 years).
