# 2020

- **Debate important issues in Parliament House.**
- **Develop leadership skills.**
- **Create change in your community.**

*Celebrating 25 years of connecting the voices and opinions of young people with decision-makers and their communities.*

# ABOUT THE PROGRAM

YMCA South Australia Youth Parliament is a non-partisan program providing a platform for young people aged 15-25 to voice their views on important issues, build leadership skills, parliamentary understanding, and learn about democracy.

Youth Parliament focuses on personal development, empowering young people to be advocates for their community and to seek change by connecting youth voices and opinions with politicians and decision makers.

The role of a Youth Parliamentarian is a privilege – you will use your voice to represent young people across the state. Use it wisely.

As a Youth Parliamentarian, you will learn all about parliamentary process, how to write a bill - and how to debate it in Parliament House. You will also have the opportunity to build essential skills in public speaking and working in teams.

Best of all, you will join other young South Australians who want to learn more about Government and how laws are made, developing their knowledge to create positive change in their community.

We hope to have a diverse group of young South Australians to participate in the 2020 YMCA SA Youth Parliament and we can't wait to see the range of issues you choose to debate in Parliament House in July.

This booklet outlines the Youth Parliament journey for participants in 2020. We hope you're excited!

# WHAT HAPPENS AT YOUTH PARLIAMENT?

Youth Parliamentarians are allocated into one of ten Committees. Each Committee meets regularly throughout the program to develop a Youth Bill aiming to address an issue important to South Australians. Together they also learn essentials about Parliament and democracy, and set personal and team goals to work towards.

At Youth Parliament, you will learn all about parliament, democracy and bill writing. You will develop your public speaking and debate skills and build your confidence.

Youth Parliament is a platform for young South Australians like yourself to *Make Your Mark* on issues and topics that matter to you. The program brings together young leaders from all across the state. You are part of a passionate group of people and by collaborating and working together, you can make a big difference in the South Australian community.

Youth Parliament is an opportunity to engage with the wider South Australian public. At Youth Parliament 2020, you will have the opportunity and support to advocate for your Youth Bill topic in the community.

# WHAT IS A YOUTH BILL?

Youth Parliamentarians work together to write a Youth Bill on a topic of importance. These Youth Bills are debated in Parliament House and final copies are presented to the Minister for Youth for the Government's consideration.
